1. The decision:

1.1. That Cabinet notes the attainment of children and young people in Hampshire Schools in 2015/16 asset out in the report, recognises their outstanding achievement and the continued trend of Hampshire schools outperforming the national average across all levels.

2. Reason for the decision:

2.1. Overall, the school system in Hampshire continues to perform well. In a period which has seen significant changes to the curriculum, assessment processes and school metrics, the performance of Hampshire schools against the national performance and that of statistical neighbours has improved. There is significant evidence that the partnership between schools and Hampshire Inspection and Advisory Service has meant that schools have been well-prepared for these changes and that this has played a key role in the relative improvement.

2.2. Exceptionally, and because of the significance of the issue and the wide interest in this activity, Cabinet was asked to consider the report and support the priorities identified with in.

3.1. None.
