|------------------------|---|
| Decision Maker: | Executive Member for Education |
| Date: | 8 November 2017 |
| Title: | Amalgamation of Park View Infant School and Park View Junior School, Basingstoke. |
| Report From: | Director of Children's Services |

Contact name: Brian Pope – Assistant Director, Children's Services

1. The decision:

- 1.1. That approval be given to the proposal published by the Local Authority, in accordance with sections 15 and 19 of the Education and Inspections Act and the School Organisation (Prescribed Alterations to Maintained Schools)(England) Regulations 2013 to:
 - Discontinue Park View Community Infant School (including resourced provision), Pinkerton Road, Basingstoke RG22 6RT from 1 January 2018.
 - Establish a community primary school by enlarging Park View Junior School (including resourced provision), Pinkerton Road, Basingstoke RG226RT. This will be through the utilisation of Park View Infant School site and buildings and extension of Park View Junior School's age range to form a primary school for ages 3-11 across the two sites. The primary school would open on 1 January 2018.
- 1.2. That the Executive Member for Education notes the current surplus of school places as identified in the statutory notice and requests that officers look at this as part of the normal review of school places and make any required adjustments through the appropriate admissions processes.

2. Reason(s) for the decision:

- 2.1. Formal consultation on the amalgamation of Park View Infant School and Park View Junior School, Basingstoke took place between 27 June and 1 August 2017.
- 2.2. Following the consultation a public notice was published on 22 September 2017 outlining the amalgamation of Park View Infant School and Park View Junior School with effect from 1 January 2018. No objections were received.
- 2.3. A copy of the Public Notice is appended. The County Council complied with all statutory requirements relating to the publication of the Public Notice.

- 2.4. The reason for making this decision is that due to the Ofsted report in May 2017 for Park View Infant School, which placed the school in special measures, options were considered as to how to improve educational outcomes for pupils. Park View Junior School was inspected in March 2017 and judged to be a good school with good leadership. Park View Infant School and Park View Junior School share a site therefore the preferred option was to amalgamate the two schools to form a primary school catering for pupils from ages 3-11.
- 2.5. The County Council believes that the amalgamation of Park View Infant and Park View Junior Schools offers the best potential for creating high quality educational provision with better outcomes for students.

3. Other options considered and rejected:

- 3.1. Maintain the current position; make no change
- 3.2. Find a strong academy sponsor to improve outcomes at the school

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None
- 4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.

7. Statement from the Decision Maker:

AMALGAMATION OF PARK VIEW INFANT SCHOOL AND PARK VIEW JUNIOR SCHOOL, BASINGSTOKE

1. **Notice is given** in accordance with S15 of the Education and Inspections Act 2006 and the School Organisation (Establishment and Discontinuance of Schools) Regulations 2013 that Hampshire County Council, The Castle, Winchester, Hampshire SO23 8UG intends to discontinue Park View Infant Community School (including resourced provision), Pinkerton Road, Basingstoke, RG22 6RT from the 1 January 2018.
2. **Notice is also given** that Hampshire County Council intends to establish a community primary school by enlarging Park View Junior School, Pinkerton Road, Basingstoke, RG22 6RT in accordance with S19 of the Education and Inspections Act 2006. This will be through the utilisation of Park View Infant School site and buildings and extension of Park View Junior School's age range to form a primary school for ages 3-11 across the two sites. It is proposed that the primary school will open on the 1 January 2018. The Nursery provision will be part of the primary school, and admission arrangements will be unaffected.
3. The primary school will provide up to 630 places catering for pupils between the ages of 3 and 11. The school will continue to admit up to 90 pupils at the age of 4+. Pupils will be admitted to the school in accordance with the local authority's admissions policy, published each year before the date on which applications must be submitted; this includes details of the criteria to be applied in the event of over-subscription.
4. Park View Infant School currently provides education for pupils between the ages of 3-7, and has a capacity of 270 places, and the number on roll in June 2017 was 235. The school also provides provision for 3 pupils with hearing impairment.
5. The closure of Park View Infant School is being proposed following the Office for Standards in Education (Ofsted) published report in May 2017. This report concluded that Park View Infant School should be placed in special measures as the quality of education being provided was not sufficiently good. As a result of the Ofsted report options for improving educational outcomes at the Infant school were considered. It was concluded that the Infant School should be amalgamated with Park View Junior School which was inspected in March 2017 and judged to be a good school with good leadership. Park View Infant School and Park View Junior School share a site and it is proposed to amalgamate the two schools to form a primary school catering for pupils from age 3-11 years (including the maintained nursery).
6. Places will be available for all pupils affected by the closure of Park View Infant School (including the resourced provision) at Park View Junior School. The number on roll for both schools at June 2017 census was 505, with a total capacity of 570. Based on current numbers on roll, the total number of pupils from both schools can be accommodated on the existing school sites.
7. Applications for Year R for 2018 to Park View Infant School will be submitted in the normal way. If the decision is made to close Park View Infant School places will be available for pupils at the newly created Primary school.

8. Transport will be provided for any pupils who qualify under the authority's published policy: <https://www.hants.gov.uk/educationandlearning/schooltransport>
9. Park View Junior School has a resourced provision for children with hearing impairment which will be expanded to 6 places following the option to close Park View Infant School. The importance of this provision is recognised, and so pupils placed in the resourced provision at Park View Infant school would continue to receive the same level of support that is currently available to them, including access to a suitably qualified teacher and other support as required within a mainstream setting to meet their individual needs. Support would continue to be provided to reflect the provision as specified within the pupils' Education, Health and Care Plans, and/or their individual education plans.
10. Within four weeks from the date of publication of these proposals, any person may object to or make comments on the proposals by sending them to Glenn Parkinson, Strategic Development Office, Children's Services Department, Elizabeth II Court, Winchester, Hampshire SO23 8UG (email: strategicplanningunit@hants.gov.uk)
