1. The decision:

1.1. That a traffic order be implemented under the Road Traffic Regulation Act 1984, the effects of which will be to prohibit vehicles from making a right turn manoeuvre from U607 Barncroft Way into B2149 New Road at Havant

2. Reasons for the decision:

2.1. The County Council have investigated a highway improvement scheme in Havant to introduce a shared use footpath in New Road and Barncroft Way as well as upgrading the existing Pelican crossing in New Road to a Toucan. During a safety audit of the scheme it was identified that the junction of New Road and Barncroft Way had a known accident problem, as a result the junction radius is proposed to be tightened and the existing pedestrian refuge in Barncroft Way be widened and lengthened in a way which discourages the right turn movements out of Barncroft Way.

2.2. No objections or representations were received in response to the public consultation which took place between 20 April and 14 May 2018.

3. Other options considered and rejected:

3.1. None

4. Scheme Funding:

4.1. Capital

5. Conflicts of interest:

5.1. None

6. Dispensation granted by the Head of Paid Service:

6.1. None

7. Supporting information:

- 7.1. Local Member, Councillor L Fairhurst supports the proposal
- 7.2. Police – have no objection
