248. CONFIRMATION OF MINUTES (NON-EXEMPT)

The minutes of the Pension Fund Panel and Board held on 14 February 2020 were confirmed.

249. DEPUTATIONS

In accordance with Standing Order 12, the Panel and Board received a deputation from Chris Holloway who reiterated her points from her delegation to the Panel and Board on 12 July 2019 on the risk of investment in fossil fuels, including:

- The urgency of the climate crisis and that Hampshire County Council's declaration of a Climate Emergency should commit the Pension Fund to disinvest from fossil fuel companies.
- That taking money out of fossil fuels is not only a moral issue but just as much a financial issue.
- Asking the Panel and Board to agree to explore what Pension Fund members actually think. The leaflet on Responsible Investment (RI) for pensioners was difficult to understand, but did at least ask for views, and there should be a report to the RI sub-committee on the feedback that was received.
- Asking that the Pension Fund reports back on the points raised today and previously by Winchester Action on Climate Change.

Ms Holloway concluded by stating that the Pension Fund was not taking Climate Change seriously enough.

250. CHAIRMAN'S ANNOUNCEMENTS

The Chairman informed members that representation from unitary authorities had switched back to Portsmouth City Council, and he welcomed Cllr Corkery.

The Chairman invited members to update the committee on any training they had attended:

- Cllr Glen highlighted a number of online seminars he had attended and the prominence of Environmental, Social and Governance (ESG) issues in the agenda.
- Ms Gowland reported back on Schrodgers online seminars which were very accessible.
- Cllr Gibson had also attended Schrodgers and ESG events.

251. GOVERNANCE - ANNUAL INTERNAL AUDIT REPORT & OPINION 2019/20

The Panel and Board received and noted a report of the Director of Corporate Resources (item 6 in the Minute Book) providing the Pension Fund Panel and Board with the Chief Internal Auditor's opinion on the adequacy and effectiveness of internal control of the Pension Fund. 'Substantial Assurance' can be placed on Pension Services' framework of governance, risk management and management control and audit testing has demonstrated controls to be

working in practice.

252. GOVERNANCE - INTERNAL AUDIT PLAN 2020/21 - 2022/23

The Panel and Board received a report of the Director of Corporate Resources (item 7 in the Minute Book) providing the Pension Fund Panel and Board with the Internal Audit Plan 2020/21 – 2022/23 for Pension Services. The plan for 2020/21 includes five audits taking 100 staff days to complete. The plan will remain fluid and subject to on-going review, and amended in consultation with the relevant officers, to ensure it continues to reflect the needs of the Council.

RESOLVED:

- (a) That the Internal Audit Plan 2020/21 – 2022/23 for Pension Services was approved.

253. GOVERNANCE: RESPONSIBLE INVESTMENT SUB-COMMITTEE APPOINTMENTS

The Panel and Board considered a report of the Director of Corporate Resources (item 8 in the Minute Book) for appointments to be made to the Pension Fund's Responsible Investment sub-committee.

RESOLVED:

- (a) That Cllrs Corkery, Joy, Kemp-Gee, Tennent, Thacker and Mr Wood were appointed to the Responsible Investment sub-committee.

254. GOVERNANCE: ADMINISTRATION PERFORMANCE UPDATE

The Panel and Board received and noted a report from the Director of Corporate Resources (Item 9 in the Minute Book) on the administration of the Pension Fund in 2019/20. Pensions Services have performed well against the four key measures for good administration in 2019/20. The team has been able to maintain its service despite the Covid-19 situation. Pensions Services retained the Customer Service Excellence award following an interim assessment in April 2020, with compliance plus passes in nine areas. The Chairman thanked the Administration and the Investments & Borrowing teams for all their hard work undertaken throughout 2019/20.

Employers are required to provide an annual return by 30 April containing details of all employees who contributed during the year. Whilst the majority of employers provide their returns on time, there were 11 returns received in June, covering 103 members. The main cause of these delays was the effect of Covid-19. Of more significant concern is Southampton City Council (SCC), which failed to provide a return by either the 30 April deadline, or its own anticipated deadline of 30 June. These matters have been escalated to the Chief Executive at SCC, with SCC formally now in special measure with Pensions Services.

The Director reported that there are currently 6,162 members with deferred benefits and 2,016 members who have a frozen refund for whom no current address is held. With the improvements to the Member Portal, a one-off project to trace them and request them to register is now viable as members now have the tools to update their address easily online. The tracing exercise would be carried out by a professional tracing service. The costs of the exercise will depend on how easily members can be traced. The Panel and Board are asked to approve this additional spend of up to £60,000, and delegate authority to the Director of Corporate Resources for approval of any variation.

RESOLVED:

- (a) That the additional expenditure to carry out an address tracing exercise, and delegation to the Director of Corporate Resources to agree any variation to the Pension Fund's budget was approved.
- (b) That a letter is written on behalf of the Pension Fund Panel and Board to Southampton City Council expressing their concern about the delay in members' data being sent to Pensions Services.
- (c) That the remainder of the report including the strong performance of Pension Services in 2019/20 and the concerns raised over employers who have not provided returns was noted.

255. GOVERNANCE: EXIT CREDITS

The Panel and Board received a report from the Director of Corporate Resources (Item 10 in the Minute Book) on the Pension Fund's policy on the payment of exit credits, which has been updated following regulation changes. The LGPS regulations were amended in May 2018 to require the Fund to repay any surplus on exit to the employer leaving the Fund, however following responses to a further government consultation the regulations on exit credits have recently been changed again. The new regulations mean that each exit will have to be considered on its own merits, but in the interests of transparency, it is recommended that a default approach is set out in the Funding Strategy Statement and Employer Policy following discussions with the Fund Actuary and consultation with employers.

RESOLVED:

- (a) That the new policy on exit credits and the consequential changes made to the Funding Strategy Statement, Employer Policy and Administration Strategy were approved.

256. GOVERNANCE - ANNUAL REPORT, RISK REGISTER, PENSION FUND COSTS AND CASH MANAGEMENT 2019/20

The Panel and Board received a report from the Director of Corporate Resources (Item 11 in the Minute Book) introducing the 2019/20 draft Pension Fund Annual Report, including the Fund's updated Risk Register, analysis of the

Fund's costs and management of the Fund's cash balance. The Annual Report includes the latest updates to the Pension Fund's Risk Register, including amendments to operational, investment, and administrative risks. The Pension Fund's accounts are included in the Annual Report. The accounts are subject to audit and it may therefore be necessary to make minor changes to the Annual Report at the conclusion of the audit.

The Director reported the total cost of managing the Pension Fund in 2019/20 which was presented based on CIPFA's guidance, which includes additional requirements for the Fund's Annual Report to report on investment management costs for pooled and non-pooled investments. The investment management costs of pooled investments are disproportionately lower than the non-pooled investments because of the different assets in each category. During 2019/20, Hampshire's involvement in ACCESS moved from a net cumulative cost to a net cumulative saving.

The Pension Fund receives cash each month from contributions made by employees and employers, and from investment income. The Pension Fund requires a cash balance to be able to pay pensions and other costs. There are rigorous procedures in place to ensure the security of all cash deposits which are managed by the County Council in separate investment accounts for the Pension Fund. These include criteria for the quality of counterparties and limits on the amount that can be placed with any one counterparty as set out in the Pension Fund's Annual Investment Strategy for 2020/21 for cash, which was approved by the Pension Fund Panel and Board on 13 December 2019, and has been complied with.

RESOLVED:

- (a) That the contents of the draft Annual Report for 2019/20, including the amendments to the Risk Register, was noted and it was approved for publication.
- (b) That authority was delegated to the Director of Corporate Resources to make any necessary minor amendments to the Annual Report prior to publication.
- (c) That the outturn report on the Pension Fund's cash management in 2019/20 was approved.
- (d) That the remainder of the report, including the total cost of managing the Fund, was noted.

257. **EXCLUSION OF THE PRESS AND PUBLIC**

RESOLVED:

That the public be excluded from the meeting during the following items of business, as it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during these items there would be disclosure to them of exempt information within

Paragraphs 3 of Part 1 of Schedule 12A to the Local Government Act 1972, and further that in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information, for the reasons set out in the reports.

258. CONFIRMATION OF THE MINUTES OF THE PREVIOUS MEETING

The exempt minutes of the Pension Fund Panel and Board held on 14 February 2020 were confirmed.

259. GOVERNANCE: PENSION FUND INVESTMENT MANAGEMENT COSTS 2019-20 AND PENSION FUND CASH MANAGEMENT 2019-20 APPENDIX

The Panel and Board considered and noted the exempt appendix from the Director of Corporate Resources (Item 14 in the Minute Book) supporting the Pension Fund's Annual Report and Annual Cash Investment Strategy.

260. INVESTMENT - INVESTMENT UPDATE

The Panel and Board received an exempt report from the Director of Corporate Resources (Item 15 in the Minute Book) updating the Panel and Board on the performance of the Pension Fund's investments. [SUMMARY OF A MINUTE WHICH CONTAINS EXEMPT INFORMATION]

195. Business Plan, Budget & Risk Summary.
(Item. 5)

1. Mr McDonald (ASU Director) provided an update on the Business Plan, Budget and Risk summary. He confirmed that the outturn for 2019/20 was £391,792 below the approved budget level, representing a significant underspend. Mr McDonald advised that this was due in part to the successful embedding of the ASU and consequent reduction in reliance on external support but he commented that this underspend was also due to the delayed commencement of procuring alternatives solutions. This meant that some of the forecast spend would still be required but it would be taken from the 2020/21 budget.
2. Mr McDonald provided a brief update of the risk situation, noting that further detailed information of additional risks would be provided in a later agenda item due to commercial and legal exemption.

RESOLVED that the business plan update, the 2019/20 outturn and 2020/21 budget and the summary risk register be noted.

RESOLVED that the extension to the existing Clerking arrangements supplied by Kent County Council be approved.

197. Environment, Social & Governance / Responsible Investment position statement.
(Item. 7)

1. Mr McDonald provided an update on the ongoing activity in relation to Environmental, Social and Governance & Responsible Investment (ESG/RI) matters. He highlighted key workstreams and key points including:
 - Expert advice being commissioned to assist in developing shared guidelines.
 - Link had run a survey with Fund Managers regarding climate change and other ESG considerations (based on survey approach developed by Norfolk Council). The results of this activity. remained under review for incorporation in further work.

- The appointment of Mr McDonald as the ACCESS Officer representative on the SAB / LGA editorial board working the development of the SAB Responsible Investment Guide.
- 2. Members discussed the varying pressures facing administering authorities to make progress on ESG/RI. Mr McDonald highlighted that while ACCESS was focused on developing shared guidelines, it should be remembered that the administering authorities would retain sovereignty over their own core policies. Members debated the importance of balancing the desire to make swift progress with the need to ensure any proposals or approaches are realistic, appropriate and deliverable, The Chair suggested seeking to develop more detailed proposals for consideration at the next meeting to better explore the options.
- 3. Mr McDonald advised that the ASU would work with OWG to ensure all authorities were equally sighted on the current situation with ESG/RI and reports on progress would feature at future meetings.

RESOLVED that the report and the discussion of potential future activity be noted.

198. Supreme Court Judgement.
(Item. 8)

1. Kevin McDonald provided an update on the recent Supreme Court Judgement on Palestine Solidarity Campaign: LGPS investment guidance on foreign policy and defence issues. This judgment had raised concerns regarding fiduciary duty, particularly with the Scheme Advisory Board and the Local Government Association. He highlighted that SAB was pleased that the judgment supported the principle of sovereign investment decision-making but he commented that Government may wish to legislate on the issue at a later date.
2. Cllr Oliver suggested that a paper be developed that confirmed the Norfolk position on Fiduciary Duty which could then be shared with the rest of ACCESS.

RESOLVED that the report be noted.

199. Motion to Exclude the Press and Public.
(Item. 9)

RESOLVED that under Section 100A of the Local Government Act 1972 the press and public be excluded from the meeting for the following business on the grounds that it involves the likely disclosure of exempt information as defined in paragraphs 3 & 5 of part 1 of Schedule 12A of the Act.

(Item. 10)

1. Sharon Tan (Suffolk) provided an update on Investment performance and an overview of the draft Annual Plan.

RESOLVED that the performance update be noted and the draft Annual Plan be recommended to the administering authorities (subject to minor clarifications and amendments by Officers).

HAMPSHIRE COUNTY COUNCIL

Decision Report

Decision Maker:	Pension Fund Panel and Board
Date:	25 September 2020
Title:	Governance: Pension Fund Panel and Board Training in 2020/21
Report From:	Deputy Chief Executive and Director of Corporate Resources

Contact name: Gemma Farley

Tel: 0370 779 4704

Email: Gemma.farley@hants.gov.uk

Purpose of this Report

1. The purpose of this report is to set out proposals for the training arrangements for members of the Pension Fund Panel and Board in 2020/21.

Recommendations

2. That the proposed training arrangements are noted, and Panel and Board members consider any other topics for training that would be beneficial.
3. That the Training Policy and Plan for 2020/21 be approved.
4. That the remainder of the report be noted.

Executive Summary

5. This report sets out proposals for the training arrangements for members of the Pension Fund Panel and Board in 2020/21.
6. The report considers the Training Needs Analyses completed by Panel and Board members in 2020. The report also includes proposals for the Panel and Board's training half days in 2020/21 and 2021/22.
7. This report includes the proposed Training Policy and Plan for 2020/21 (attached at Appendix 1) for approval which is based on the Public Service Pension Act 2013 requirement for board members to have the knowledge and

understanding that is appropriate for the purposes of enabling the individual properly to exercise the functions of a member of the pension board.

Background

8. Members of the Pension Fund Panel and Board are asked to complete a Training Needs Analysis, which was designed around the CIPFA Pensions Finance Knowledge and Skills Framework for Elected Representatives and Non-Executives in the Public Sector, and the CIPFA Technical Knowledge and Skills Framework for Local Pension Boards, in order to ensure the Panel and Board meet the requirements set out in the guidance referenced in the regulations.
9. The aim of completing the Training Needs Analysis is to identify members' individual training needs and enable the Training Policy and Plan for 2020/21 to be prepared, setting out how these training needs would be met and to give priority to any needs that are shared by a number of the Panel and Board Members.
10. It is a legal requirement, as set out under section 248A of the Pensions Act 2004, that every individual who is a member of a Local Pension Board must:
be conversant with:
 - the rules of the scheme, in other words the Regulations and other regulations governing the LGPS (including the Transitional Regulations, earlier regulations and the Investment Regulations); and
 - any document recording policy about the administration of the scheme which is for the time being adopted in relation to the scheme; andhave knowledge and understanding of:
 - the law relating to pensions; and
 - such other matters as may be prescribed.

Training Needs Analysis

11. The Training Needs Analysis forms have been provided to members for their completion, and the majority of responses (17/21) have now been received. It is important that all members return a completed form, and the template form is attached as Appendix 2.
12. The following summary is based on the completed Training Needs Analyses. The training areas for which the largest numbers of Panel and Board members requested training are listed in Table 1 overleaf.

Table 1 – Categories of training identified by the Training Need Analyses

	Number of Panel and Board members
Public procurement and supplier risk management	15
Investment strategies, financial markets and regulation	14
Pensions administration strategy and tax	14
Pensions legislative and governance context	13
Performance and advisers	11

13. As well as assessing themselves against the topics included in CIPFA's Knowledge and Skills Framework, Panel and Board members were also invited to propose additional ideas for training which they think could benefit the Panel and Board. So far, suggestions have been received to cover Brexit and the effect on EU/UK rules, an understanding of the role played by third party assurance providers, and an ACCESS Governance update.

Proposals

14. The following paragraphs include suggestions for ways in which training can be provided to meet the needs identified in Table 1.

Public procurement and supplier risk management

15. The requirements of the Public Procurement regulations, which apply to all Local Government procurement, including that associated with pension funds. Also, understanding the nature and scope of risks for the Pension Fund and their importance when selecting third parties. The requirement for procurement for the Pension Fund will significantly diminish now that investments are pooled, and much of Hampshire's investments will be available via ACCESS. However, procurement will potentially be required for advisers and non-pooled investments in the future. Training on the procurement regulations was provided in 2014 and the slides remain available on the Training Library. Procurement regulation could be changing as a result of Brexit negotiations; therefore, it is proposed that an internal training session is arranged for the Panel and Board on public procurement and supplier risk management either in 2021/22 or as a change to procurement regulation and its impact on the Pension Fund becomes clear.

Investment strategies, financial markets and regulation

16. These areas include risk and return characteristics of the main asset classes (equities, bonds, property), and the role of these asset classes in long-term pension fund investing. Within investment markets is a requirement for a broad understanding of the workings of the financial markets and of the investment vehicles available to the Pension Fund and the nature of the associated risks. Panel and Board members also need to have an awareness of the limits placed by regulation on the investment activities of local government pension funds.
17. An understanding of the different asset classes is something that newer members will gain over time from reading reports to the Panel and Board on investment matters, from investment manager presentations to the Panel and Board or at conferences and seminars, and from asking questions of the investment managers. In addition, members who wish to improve their knowledge in this area could use the Pension Regulator Trustee Toolkit website, particularly in the module on “An introduction to investment”. This module covers investing in a pension scheme, types of assets, risk, reward, economic cycles, active and passive management, diversification and managing investments. The Trustee Toolkit website can be found at:
<https://trusteetoolkit.thepensionsregulator.gov.uk/>
18. The Fund’s investment strategy was reviewed during 2016/17 and 2020 with the advice of Hymans Robertson who attended Panel and Board meetings as an extension of their advice, providing guidance and understanding. These reports are available from the officers and provide useful background as a training resource.
19. It is proposed that further training will be provided to give Panel and Board members an overview of the limits placed by regulation on the investment activities of local government pension funds.

Pensions administration strategy and tax

20. Specific areas of the Fund’s administration strategy on the monitoring of early and ill health retirement strain costs, the implications of including new employers into the Fund and of the cessation of existing employers. Also, a general awareness of the relevant considerations in relation to outsourcings and bulk transfers, and the importance of the employer covenant and the relative strengths of the covenant across the fund employers. Panel and Board members also require an understanding of how the Pension Fund interacts with the taxation system in the UK and overseas in relation to benefits administration.

21. The Fund's Administration Strategy details how the Fund deals with each of these areas; this is agreed each year by the Panel and Board and the current version is available in the Annual Report. In addition, Pensions Services report twice a year to the Panel and Board on the performance of the administration of the Pension Fund. Nick Weaver, the previous Head of Pensions, Investments and Borrowing, provided training for the Panel and Board in July 2015 on this area; these slides can be circulated following the meeting. If members require further training following the review of these materials, it is proposed that a training session is delivered on pensions administration strategy during 2021/22.

Pensions legislative and governance context

22. Panel and Board members are required to have a general awareness of the pensions legislative framework in the UK as well as Local Government Pension Scheme (LGPS) specific legislation and the main features relating to benefits, administration, and investment. Panel and Board members are also required to have full detailed knowledge of the constitutional framework, including an awareness of the role and statutory responsibilities of the treasurer and monitoring officer, and knowledge of the stakeholders of the Fund and the nature of their interests.
23. New members are encouraged to attend the LGA Fundamentals course which provides useful background on LGPS legislation and governance; each year a provision is usually in place within the budget for four members to attend this three-day course. Due to the Coronavirus pandemic, the LGA Fundamentals course in its regular format will not take place this year, but the LGA have advised that a series of three, hour long, webinars will be held on 6-8 October 2020 to help provide an introduction to some of the governance and investment issues in the LGPS universe. Panel and Board members have been sent the relevant information to sign up to these webinars.
24. During 2013 and 2017 Tim Hazlewood (who previously delivered the Fundamentals Course for the LGA) delivered his Essentials training to the Panel and Board which heavily features these training requirements. These slides are available from the officers for Panel and Board members to refresh themselves on these areas. Although the slides are a useful reminder, the membership of the Panel and Board has changed since 2017, and it has been found that this kind of content is best delivered by a trainer, and therefore it is proposed that Tim Hazlewood is invited back to provide a training session on these training requirements during 2021/22. This date is suggested as it will be four years since the previous course and allows for a change in County Councillors' membership of the Panel and Board. The Panel and Board should note that Tim Hazlewood has made the decision to not provide training virtually at this time.

Performance and advisers

25. A key role of the Panel and Board is the evaluation of the Pension Fund's investments, including the setting of appropriate return targets and the use of benchmarks. The requirements of the 2016 LGPS Investment Regulations include seeking appropriate investment advice. The Pension Fund received training from its advisers and investment managers in 2017 when setting the revised investment strategy and considering investments in new asset classes. The investment strategy was reviewed again earlier in 2020, with the advice of Hymans Robertson, who attended Panel and Board meetings as an extension of their advice, providing guidance and understanding. These reports are available from the officers and provide useful background as a training resource.

Training sessions in 2020/21 and 2021/22

26. The Panel and Board has agreed that the equivalent of two in-house training half-days should be arranged for Panel and Board members each year as stand-alone sessions.
27. The proposals in Table 2 below set out a suggested programme for 2020/21 and 2021/22 for the Panel and Board's comments.

28. In addition to the proposals outlined any suggestions for training would be welcomed.

Impact of the Coronavirus pandemic

29. The Panel and Board’s programme of training sessions will be conducted in line with Hampshire County Council policy on meetings during the Coronavirus pandemic. Panel and Board members will be notified of all arrangements in advance of these training sessions.

Training Policy and Plan 2020/21

30. The Panel and Board has fully supported the principle that Panel and Board members and officers should have access to training on Pension Fund matters to be able to fulfil their duties to the appropriate standard. To that end, a Training Policy and Plan is prepared each year and agreed by the Panel and Board. The proposed Training Policy and Plan for 2020/21 is attached as Appendix 1.
31. The Training Policy and Plan is an important part of demonstrating from a governance perspective that proper training in Pension Fund matters is made available to and undertaken by Panel and Board members.
32. Changes from last year’s Training Policy and Plan have been highlighted in Appendix 1. No major changes have been made, although the Training Policy and Plan has been updated for the training sessions in 2020/21 and 2021/22, and the budget for 2020/21.

Training budget

33. Table 3 overleaf provides a summary of the training budget and actual expenditure for 2019/20, as well as a proposed budget for 2020/21.
34. The budget for 2020/21 includes three places at the LGC Investment & Pensions Summit, as well as two places at the LGC Investment Seminar at Chester (with the possibility of an additional free place), in line with attendance in previous years. In a normal year the budget would also include the provision for four members of the Panel and Board to attend the LGA Fundamentals course, however as the LGA will not be running this course this year due to the ongoing Coronavirus outbreak, this provision has been removed from the budget. This provision will be reinstated in the budget for 2021/22.
35. In previous years the LGC Investment Summit has taken place during September at Celtic Manor, but as a result of the current and ongoing Coronavirus outbreak the LGC Investment Summit has been moved to 3-5 March 2021, and will be held at the Royal Armouries Museum & New Dock Hall, in Leeds.
36. Training costs are met from the governance costs of the Pension Fund. Re-allocation of planned places at courses within the budget is possible, should the Panel and Board feel it would meet training needs better to give priority to different events.

Expenses

37. The training request form, a template of which can be found in Annex 1 to Appendix 1 of this report, clarifies the Pension Fund's position on expenses

for training. Panel and Board members are asked to provide an estimate of any expenses that a training event may incur. Estimated expenses should include all costs of attendance, i.e. travel, hotel, and any admission fee. Please note that hotel costs cannot be expensed if the event is held in normal office hours and is within reasonable reach of Winchester, which includes London.

38. It will not be possible to claim expenses for an event where there is a fee, or where travel costs are in excess of standard travel costs to London, if there is an equivalent event which is more local and/or complimentary. If Panel and Board members feel that such an event would be beneficial to their training needs, they should contact officers to allow them to help find the best solution to meet those training needs.

Online training library

39. While the internally arranged training days are intended to provide training on topics which will benefit the majority of Panel and Board members, individual members may find that they have additional areas on which they may require training or perhaps on which they wish to refresh their knowledge.
40. With this in mind, officers have developed a collection of training materials, that members can access through the officers, selecting the materials on topics they feel would most benefit their own training needs. A list of these training materials will be circulated to Panel and Board members following this meeting, and training materials can be accessed through requesting particular materials from investments@hants.gov.uk. The officers are exploring what the best possible IT solution is to transfer the training materials to an online library to allow members to log in and access as required; details will be provided to members once the project is completed.
41. The collection of training materials contains slides (and supplementary materials, where appropriate) for all the internal training sessions carried out since 2009, which cover a wide range of topics. There are also other useful documents available to download which can help fill any knowledge gaps, as well as template forms and links to the Pension Fund's annual report, statutory statements, and latest actuarial valuation. There is also information on and a link to the Pensions Regulators Trustee Toolkit – a valuable online learning resource.

Other training resources and information

External training courses

42. If members would like to attend an external training course or conference, please complete the training request form available at Annex 1 to Appendix 1 and return to investments@hants.gov.uk.
43. Over the last 6 months, no in-person training has taken place due to the impact of the Coronavirus pandemic. Instead, Panel and Board members have been invited to a great number of free of charge webinars organised by recognised professionals within the industry.
44. In the case of appropriate, free of charge webinars, it has been decided that Panel and Board members are not required to complete the training request form, but must complete the training evaluation form (available at Annex 2 to Appendix 1 of this report) following the event to enable the recording of training in line with the Pension Fund's policy.

Training logs for 2019/20

45. Training logs are maintained by Director of Corporate Resources' staff for each member of the Panel and Board based upon members' input, in order to record the training undertaken during the year. Training logs for 2019/20 were circulated to Panel and Board members for review, and included details of all relevant training courses, seminars and events attended by each member. These logs have since been included in the published draft Annual Report.
46. The training logs also include an assessment of whether each training event has fulfilled the need it was intended to meet.
47. Panel and Board members are also encouraged to complete a short evaluation form (available at Annex 2 to Appendix 1 of this report) after each training event in order to share feedback about events, and report on whether an event was useful and well delivered. These comments will be used to inform members' decisions regarding attendance at future events.

Annual Employers Meeting 2020

48. The Annual Employers Meeting is currently scheduled to be held in Ashburton Hall in Winchester on 9 November 2020 starting at 10:00 am, and Panel and Board members are encouraged to attend the Annual Employers Meeting if they are available. It is expected that due to the ongoing Coronavirus pandemic that this meeting will not take place as an in-person event and will instead take place using the MS Teams platform. Panel and Board members as well as employers of the Fund will be advised as appropriate.

EQUALITIES IMPACT ASSESSMENTS:

1. Equality Duty

The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by or under the Act with regard to the protected characteristics as set out in section 4 of the Act (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation);
- Advance equality of opportunity between persons who share a relevant protected characteristic within section 149(7) of the Act (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic within section 149(7) of the Act (see above) and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- The need to remove or minimise disadvantages suffered by persons sharing a relevant protected characteristic that are connected to that characteristic;
- Take steps to meet the needs of persons sharing a relevant protected characteristic that are different from the needs of persons who do not share it;
- Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

2. Equalities Impact Assessment:

Equality objectives are not considered to be adversely affected by the proposals in this report as the proposals do not directly affect scheme members.

Hampshire Pension Fund

Pension Fund Panel and Board

Training Policy and Plan 2020/21

Background

1. Hampshire County Council as the administering authority for the Hampshire Pension Fund has delegated responsibility for the management of the Pension Fund to the Pension Fund Panel and Board.
2. The Pension Fund Panel and Board fully supports the principle that Panel and Board members and officers have a duty to undertake all training on pension fund matters that is necessary to be able to fulfil their duties to the appropriate standard. Opportunities are made available to members and officers to attend training courses and seminars when necessary and appropriate.
3. This **training policy and plan** has been prepared for the Pension Fund Panel and Board for 2020/21. As the Panel and Board's responsibilities include both investment management of the Pension Fund and pensions administration, the **training policy and plan** also covers both areas.
4. This **training policy and plan** has been updated to reflect training requirements identified by the completion of the detailed Training Needs Analyses carried out by members of the Panel and Board in 2020.

Policy

5. As an administering authority of the Local Government Pension Scheme (LGPS), Hampshire County Council recognises the importance of ensuring that all officers and members charged with financial management and decision making for the pension scheme are fully equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them.
6. It therefore seeks to appoint individuals who are both capable and experienced and will provide and arrange training for relevant officers and members. The training is designed to enable officers and members to acquire and maintain an appropriate level of expertise, knowledge, and skills.
7. A formal training plan is prepared each year to identify and meet the training needs of the Panel and Board, both as a group and as individuals, and is based upon the recommendations of the CIPFA Pensions Finance Knowledge and Skills Framework.
8. The Deputy Chief Executive and Director of Corporate Resources of the County Council is responsible for ensuring that policies and strategies are implemented. Pension Fund Panel and Board members training is evaluated, recorded and reported as part of the Fund's Annual Report each year.

9. Each individual officer's training needs are assessed annually and training plans prepared for each section and department within the County Council. The actual training provided is evaluated each year to assess its effectiveness against the aims and objectives identified prior to the training event. In addition, professional finance staff in the Corporate Resources Directorate are required by the accountancy bodies to maintain their levels of Continuing Professional Development.
10. It is a legal requirement, as set out under section 248A of the Pensions Act 2004, that every individual who is a member of a Local Pension Board must:
- be conversant with:
- the rules of the scheme, in other words the Regulations and other regulations governing the LGPS (including the Transitional Regulations, earlier regulations and the Investment Regulations); and
 - any document recording policy about the administration of the scheme which is for the time being adopted in relation to the scheme; and
- have knowledge and understanding of:
- the law relating to pensions; and
 - such other matters as may be prescribed.
11. The Myners principles codify the best practice in investment decision-making for pension fund management. The principles require pension fund trustees to consider how the principles apply to their own fund and report on a 'comply or explain' basis. Training is a key factor within Principle 1 which covers effective decision-making:
- trustees should ensure that decisions are taken by persons or organisations with the skills, knowledge, advice and resources necessary to take them effectively and monitor their implementation
 - trustees should have sufficient expertise to be able to evaluate and challenge the advice they receive and manage conflicts of interest.
12. The Government also requires LGPS funds to publish a Governance Policy Statement which includes a section on Training. A Governance Compliance Statement is also required which sets out the Pension Fund's compliance with the following principle on Training, Facility, Time, and Expenses:
- that in relation to the way in which the administering authority takes statutory and related decisions, there is a clear policy on training, facility time and reimbursement of expenses for members involved in the decision-making process
 - that where such a policy exists, it applies equally to all members of committees, sub-committees, advisory panels or any other form of secondary forum

- that the administering authority considers adopting annual training plans for committee members and maintains a log of all such training undertaken.
13. The Chartered Institute of Public Finance and Accountancy (CIPFA) published a guide to the requirements for the Governance Compliance Statements in the context of the CIPFA/SOLACE publication 'Delivering Good Governance in Local Government: Framework (2007)'. The CIPFA guide links the principle in paragraph 11 above to the Framework's principles of:
 - performing effectively in clearly defined functions and roles, and
 - developing the capacity and capability of the governing body to be effective.
 14. The CIPFA guide includes the further comment that the principle in paragraph 11 is aimed at making sure that all those serving on committees, sub-committees and panels receive levels of training that are appropriate to their needs and that suitable arrangements are made to ensure that this is properly resourced in terms of both time and finance.
 15. The Panel and Board fully endorse the importance placed on training in these principles. With this training plan and the training logs maintained by all Panel and Board members, the Hampshire Pension Fund is in full compliance with this principle.
 16. CIPFA have also published a Code of Practice on Public Sector Pensions Finance Knowledge and Skills, which Hampshire Pension Fund has adopted. This requires policies and procedures to be in place for the effective acquisition and retention of the relevant knowledge and skills for those in the organisation responsible for financial administration and decision making.
 17. The policies and procedures will be guided by reference to the CIPFA Pensions Finance Knowledge and Skills Framework, which gives technical guidance for elected representatives and officers on the knowledge required.
 18. The Code of Practice also requires an annual statement on how these policies and procedures have been put into practice, from 2012/13 onwards. A disclosure was included in the Annual Report and Accounts 2012/13 and will continue going forward.

Pension Fund Panel and Board

19. There are 21 members of the Pension Fund Panel and Board, as listed in Table 1. The table shows the experience of Panel and Board members in terms of their length of service on the Pension Fund Panel and Board.

20. The Panel and Board has a mixture of experienced members, who have served at least one full four-year term as members of the Panel and Board, and more recently appointed members. Panel and Board members also have a range of relevant experience from their working lives which includes, in some cases, the financial services industry and the City of London.

Access to training

21. Training opportunities are made available equally to all members of the Pension Fund Panel and Board, including the co-opted representatives of the city councils, district councils, pensioners and contributors as well as the county councillors. The full cost of attending training is met by the Pension Fund, including course fees, reasonable travel and accommodation costs.

22. The Panel and Board have considered making attendance at training courses compulsory for Pension Fund Panel and Board members. This suggestion reflected the increasing complexity and profile of pension matters and the need for Panel and Board members to keep up to date with current developments at a time of heightened scrutiny. However, whilst it is important that Panel and Board members prepare themselves properly to fulfil their responsibilities, it would not be practical to make attendance at training events a condition of Panel and Board membership. The suitability and fitness of members for their role is best left to the Panel and Board itself to monitor.
23. Each year, in order to ensure compliance with the CIPFA Code of Practice, Panel and Board members complete a detailed individual Training Needs Analysis. The purpose of this exercise is to allow Panel and Board members to consider their current level of knowledge and identify the topics on which they would like to have additional training. The Training Needs Analysis was designed around the CIPFA Pensions Finance Knowledge and Skills Framework for Elected Representatives and Non-Executives in the Public Sector, and the CIPFA Technical Knowledge and Skills Framework for Local Pension Boards, in order to ensure the Panel and Board meet the requirements set out in the guidance referenced in the regulations. The outcome of the Training Needs Analysis for 2020/21 will be discussed by the Panel and Board at this meeting. As a result, eight training sessions have been planned for 2020/21 and 2021/22 which directly relate to the training needs identified.
24. The Director of Corporate Resources' staff have developed a collection of training resources, which Panel and Board members will be able to refer to in order to obtain more information about areas where they have a specific training need, in addition to the Panel and Board-wide training proposals outlined above. The collection of training resources contains slides (and supplementary materials, where appropriate) for all the internal training sessions carried out since 2009, which cover a wide range of topics. There are also other useful documents available which can help fill any knowledge gaps, as well as template forms and links to the Pension Fund's annual report, statutory statements, and latest actuarial valuation. The collection of training resources will be updated whenever new material is available. The officers are exploring what the best possible IT solution is to transfer the training materials to an online library to allow members to log in and access as required; details will be provided to Panel and Board members once the project is complete.

Online learning opportunities

25. A number of online training facilities on pension fund matters have been developed by various organisations in recent years. Examples include the Trustee Toolkit which is available for free from the Pension Regulator at the following website: <http://www.trusteetoolkit.thepensionsregulator.gov.uk>. This toolkit provides an introduction to pension scheme investing, running a pension scheme, the role of the trustee, pension law etc. It was designed

to meet the requirements of trustee knowledge and understanding required under the Pensions Act 2004. In early 2015, the Pensions Regulator released an on-line training resource to assist those involved in Public Sector Schemes. This is accessed via the Trustee Toolkit and comprises an additional seven modules covering the key themes in the Code of Practice on governance and administration of public service schemes.

Proposed training in 2020/21 and 2021/22

26. This training plan for 2020/21 has been designed to cater for the needs of the recently elected Panel and Board members as well as providing an opportunity to update and refresh the knowledge of the more experienced members of the Panel and Board.
27. The Panel and Board has agreed that the equivalent of two in-house training half-days should be arranged for Panel and Board members each year as stand-alone sessions. Table 2 below sets out the programme for 2020/21 and 2021/22, which has been formulated based upon key learning points from the Training Needs Analysis, and recommendations from Panel and Board members.

28. These training sessions will also be useful for the Audit Committee in carrying out their role to receive and consider audit reports relating to the Pension Fund Panel and Board, as stated in the Hampshire County Council Constitution.

29. These bespoke training sessions will be complimented by a range of other training opportunities which will be made available to Panel and Board members during the year. These include many **webinars**, seminars and courses on pension fund matters provided each year by various organisations. Some are specifically tailored for LGPS funds, such as the Local Government Chronicle's annual Investment Summit held in September each year. The Pension Fund's investment managers hold annual client conferences and the Fund's actuary Aon Hewitt also provides training events. The **Deputy Chief Executive and** Director of Corporate Resources' **staff** will continue to circulate details of these training opportunities to members.
30. If new members are appointed to the Panel and Board, the training proposed is as follows:
- Attending the "Fundamentals" course held by the Local Government Association, which specifically covers the basics for the LGPS.
 - Attending the training sessions to be held during 2020/21.
 - Completing the Training Needs Analysis for Panel and Board members, to help identify any additional training requirements.
 - Informing new members of any external conferences and training opportunities in the future, along with the rest of the Panel and Board.
31. Reports to the Panel and Board by the officers on new developments in pension fund matters will continue to include background briefing information and this will provide another means by which Panel and Board members can keep up-to-date and develop their knowledge.
32. Panel and Board members will also be able to undertake background reading on pension fund matters and this too can contribute to meeting their training needs.

Training budget

33. Table 3 below shows the training budget for 2019/20, with the actuals for comparison, together with the proposed budget for 2020/21.
34. The budget for 2020/21 includes three places at the LGC Investment & Pensions Summit, as well as two places at the LGC Investment Seminar at Chester (with the possibility of an additional free place), in line with attendance in previous years. In a normal year the budget would also include the provision for four members of the Panel and Board to attend the LGA Fundamentals course, however as the LGA will not be running this course this year due to the ongoing Coronavirus outbreak, this provision has been removed from the budget. This provision will be reinstated in the budget for 2021/22.
35. Training costs are met from the administration costs of the Pension Fund. "Virement" between courses within the budget is possible, should the Panel and Board feel it would meet training needs better to prioritise different events.

Training logs

36. Training logs are maintained by each member of the Panel and Board to provide evidence of the Panel and Board's commitment to training. They record the actual training undertaken during the year, including details of all relevant training courses, seminars and events attended by each member. The training logs include an assessment of whether each training event has fulfilled the need it was intended to meet.

Evaluation

37. The actual training undertaken by Panel and Board members in 2020/21 will be evaluated using the training logs to assess whether it has fulfilled the training need identified at the outset. In addition, Panel and Board members complete a short evaluation form after each training event in order to share feedback about events, and report on whether an event was useful and well delivered. A template evaluation form is attached as Annex 2 to this Training Plan. This information will be used to design the training plan for the following year.
