Dear Dave,

RE: Outcome of Hampshire and Isle of Wight Police and Crime Panel's consideration of proposed precept

Thank you for the letter sent on behalf of the Police and Crime Panel (PCP) following consideration of my proposed precept for 2023/24.

I am grateful of the Panel's support of my proposed precept increase of £15 per annum for Band D properties and that the Panel notes the increase is required to fund 50 additional police officers to improve police visibility, in addition to the 600 officers committed to within my Police and Crime Plan. I will ensure that my office monitors the impact of the increase in police officer numbers and provides regular updates to future meetings on police visibility.

Yours sincerely,

Donna Jones
Police and Crime Commissioner for Hampshire & Isle of Wight
