1. The decision:

That Cabinet:

- 1.1 Continues to note the potential impacts of the prolonged economic slowdown and confirm that supporting the Hampshire Economy remains a priority for the County Council, including continuing to invest in infrastructure and support businesses, during an extremely challenging time in which unemployment is expected to rise, business failures increase and living standards are expected to fall nationally.
- 1.2 Note the analysis of the economic impact and issues highlighted which emphasises that the County Council continues to use its scale and influence to drive towards long term economic strength in Hampshire, through shaping and influencing the key priorities set out in the Economic Strategy approved by Cabinet in December 2022. This also includes the County Council's role in promoting place-based Regeneration and Growth Partnerships and a new Strategic Asset Management Plan.
- 1.3 Notes the further Government guidance issued on the integration of Local Enterprise Partnerships (LEPs) by April 2024, and the County Council's contribution to the national engagement exercise and associated intention to develop a Hampshire Skills and Growth Board and Business Forum during this timeframe. This will align to wider regional governance in relation to County Deal devolution proposals as well as wider pan-regional collaboration with Surrey County Council.
- 1.4 Continues to endorse the County Council's commitment to engage with Government for a Pan-Hampshire County Deal as part of the next Wave of national negotiations and notes the engagement with Government Officials and Ministers. This recognises the significant opportunity for a Deal to enable the County Council's economic ambition, catalyse significant investment and benefit the lives of residents and communities.

1. Reasons for the decision:

1.1. To provide Cabinet with an analysis of the economic impact and outline those issues that the County Council continues to use its scale and influence to contribute to the county's and sub-region's economic recovery going forward.

2. Other options considered and rejected:

2.1. Not to note the issues raised or endorse the County Council's ambition for a Pan-Hampshire County Deal. This option was rejected as it would be against the best interests of the Hampshire economy.
