IMPACT ASSESSMENTS:

1. Equality Duty

1.1. The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- a) The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;
- b) Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;

FUNDING CRITERIA FOR THE POLICY AND RESOURCES GRANTS

The following criteria should be taken into consideration when preparing a submission for funding. They are intended as guidelines and not prescriptive rules.

1. Assistance will be considered only in response to direct applications from properly constituted organisations seeking assistance. You must show in your application that your organisation is properly and legally organised and has its own bank account.
2. Where appropriate, applications will be referred to the relevant service department (e.g. Adult Services, Culture, Communities and Business Services, Children's Services, etc.) for consideration.
3. Preference will be given to applications for specific projects or activities rather than general running costs of organisations. These grants are not intended to replace shortfalls in service delivery budgets or replace funding for other support you may be able to obtain, or that you have obtained from us in the past.
4. Grants will not usually be made in respect of applications from the following:-
 - District or Parish Councils
 - Government Institutions
 - Schools
 - Overseas and out of County organisations which have no direct Hampshire involvement
 - Branches or organisations assisted centrally with a sum from the County Council
 - Bodies requesting funds for onward distribution to other charities e.g. mayoral appeals, carnivals, fetes, or for their own fundraising events.
5. Applications will not be accepted from political parties or groups affiliated with a political party or from lobbying/campaigning organisations.
6. Applications will only be considered from faith groups who can demonstrate their facilities are open and used by the local community other than for church related activities and are for small one-off projects.
7. Requests may be considered from County wide groups (e.g. Guides, Scouts, Hampshire County Youth Orchestra) for specific trips, e.g. for an international jamboree or cultural tour. Individual requests will not usually be considered.
8. Where possible self-help within organisations should be encouraged and to this end, grants are normally a percentage of the sum required to complete the project.
9. As a general rule, grants in excess of £5,000 will not be awarded.
10. In general grants will only be awarded to projects which are taking place in the same year as application for funds.
