1. Summary and Purpose

- 1.1. This report provides Members with information about the issues brought to the attention of the Committee which impact upon the planning, provision and/or operation of health services within Hampshire, or the Hampshire population.
- 1.2. Where appropriate comments have been included and copies of briefings or other information attached.
- 1.3. Where scrutiny identifies that the issue raised for the Committee's attention will result in a variation to a health service, this topic will be considered as part of the 'Proposals to Vary Health Services' report.
- 1.4. New issues raised with the Committee, and those that are subject to on-going reporting, are set out in Table One of this report.
- 1.5. The recommendations included in this report support the Strategic Plan's aims of supporting people to live safe, healthy and independent lives, and to enjoy being part of strong, inclusive communities, through the overview and scrutiny of health services in the Hampshire County Council area.

Topic	Relevant Bodies	Action Taken	Comment
Care Quality Commission (CQC) Inspection of services – Southern Health NHS Foundation Trust	Southern Health NHS Foundation Trust (SHFT) CCGs and partner organisations CQC	The HASC has received regular updates on progress with actions following previous CQC inspections. The last update was heard in September 2018.	The CQC published a comprehensive report on 3 October 2018 following inspections carried out at the Trust in June and July 2018. IMPACT ASSESSMENTS:

1. Equality Duty

- 1.1 The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:
- Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;
 - Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;
 - Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- a) The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;
 - b) Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;
 - c) Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity which participation by such persons is disproportionately low.
- 1.2 **Equalities Impact Assessment:** This is a covering report for items from the NHS that require the attention of the HASC. It does not therefore make any proposals which will impact on groups with protected characteristics.

2 Impact on Crime and Disorder:

- 2.1 This paper does not request decisions that impact on crime and disorder

3 Climate Change:

- 3.1 How does what is being proposed impact on our carbon footprint / energy consumption?
- 3.2 How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts?
- No impacts have been identified.
