What is Hampshire 2050?

Hampshire 2050 is the name given to The Commission of Inquiry that is considering evidence and key issues to inform a Vision for Hampshire 2050.

The commission will guide and contribute to the future prosperity, quality of life, and protection and enhancement of the character and environment of Hampshire. It will also provide the framework for which future plans, strategies and ways of working will be packaged.

Share your views
We value your input and want to hear your views on the six key themes.

HAMPSHIRE 2050

VISION FOR THE FUTURE

Emerging Cross-Cutting Topics

Some key areas have also emerged:

- **Youth Engagement**
- **Deprivation & Diversity**
- **Digital**
- **The cities of Southampton & Portsmouth**

We are intending to explore these themes further at the additional hearing in March 2019.

Further workshop with the Hampshire Partnership towards end of the hearings.

Thank you
