

HAMPSHIRE COUNTY COUNCIL

Decision Report

Decision Maker:	Pension Fund Panel and Board
Date:	26 July 2019
Title:	Governance: Pension Fund Panel and Board Training in 2019/20
Report From:	Director of Corporate Resources

Contact name: Mike Chilcott

Tel: 01962 847411

Email: Mike.chilcott@hants.gov.uk

Purpose of this Report

1. The purpose of this report is to set out proposals for the training arrangements for members of the Pension Fund Panel and Board in 2019/20.

Recommendations

2. That the proposed training arrangements are noted, and Panel and Board members consider any other topics for training that would be beneficial.
3. That the Training Plan for 2019/20 be approved.
4. That the remainder of the report be noted.

Executive Summary

5. This report sets out proposals for the training arrangements for members of the Pension Fund Panel and Board in 2019/20.
6. The report takes into account the Training Needs Analyses completed by Panel and Board members in 2019. The report also includes proposals for the Panel and Board's training half days in 2019/20 and 2020/21.
7. This report includes the proposed Training Plan for 2019/20 for approval which is based on the Public Service Pension Act 2013 requirement for board members to have the knowledge and understanding that is appropriate for the

purposes of enabling the individual properly to exercise the functions of a member of the pension board.

Background

8. Members of the Pension Fund Panel and Board are asked to complete a Training Needs Analysis, which was designed around the CIPFA Pensions Finance Knowledge and Skills Framework for Elected Representatives and Non-Executives in the Public Sector, and the CIPFA Technical Knowledge and Skills Framework for Local Pension Boards, in order to ensure the Panel and Board meet the requirements set out in the guidance referenced in the regulations.
9. The aim of completing the Training Needs Analysis is to identify members' individual training needs and enable the Training Plan for 2019/20 to be prepared, setting out how these training needs would be met and to give priority to any needs that are shared by a number of the Panel and Board Members.
10. It is a legal requirement, as set out under section 248A of the Pensions Act 2004, that every individual who is a member of a Local Pension Board must:
be conversant with:
 - the rules of the scheme, in other words the Regulations and other regulations governing the LGPS (including the Transitional Regulations, earlier regulations and the Investment Regulations); and
 - any document recording policy about the administration of the scheme which is for the time being adopted in relation to the scheme; andhave knowledge and understanding of:
 - the law relating to pensions; and
 - such other matters as may be prescribed.

Training Needs Analysis

11. The Training Needs Analysis forms have been provided to members for their completion, and a number of responses have been received to date. It is important that all members return a completed form in due course, and the template form is attached as Appendix 2. This report is based on analysis of forms received to date, and if on receipt of the remaining forms the analysis changes significantly then an update report will be tabled at the next Panel and Board meeting.

12. The following summary is based on the completed Training Needs Analyses. The training areas for which the largest numbers of Panel and Board members requested training are listed in Table 1 below.

Table 1 – Categories of training identified by the Training Need Analyses

	Number of Panel and Board members
Investment strategies and investment markets	11
Public Procurement (UK and EU)	10
Pensions administration strategy and taxation	8
Actuarial valuations	8
Performance and advisors	7

13. As well as assessing themselves against the topics included in CIPFA’s Knowledge and Skills Framework, Panel and Board members were also invited to propose additional ideas for training which they think could benefit the Panel and Board. So far, a suggestion has been received to cover Brexit, volatility and EU/UK rules and an ACCESS Governance update.

Proposals

14. The following paragraphs include suggestions for ways in which training can be provided to meet the needs identified in Table 1.

Investment strategies and investment markets

15. These areas include risk and return characteristics of the main asset classes (equities, bonds, property), and the role of these asset classes in long-term pension fund investing. Also, within investment markets is a requirement for a broad understanding of the workings of the financial markets and of the investment vehicles available to the pension fund and the nature of the associated risks.
16. An understanding of the different asset classes is something that newer members will gain over time from reading reports to the Panel and Board on investment matters, from investment manager presentations, and from asking questions of the investment managers. In addition, members who wish to improve their knowledge in this area could use the Pension Regulator Trustee Toolkit website, particularly in the module on “Introduction to Investment”.

This module covers investing in a pension scheme, types of assets, risk, reward, economic cycles, active and passive management, diversification and managing investments. The Trustee Toolkit website can be found at:

<https://trusteetoolkit.thepensionsregulator.gov.uk/>

Public procurement

17. The requirements of the Public Procurement regulations, which apply to all Local Government procurement, including that associated with pension funds. The requirement for procurement for the pension fund will significantly diminish now that investments are pooled, and Hampshire's investments will be available via ACCESS.

Actuarial valuations

18. The Pension Fund is required to carry out an actuarial valuation of the Fund's liabilities to pay future pension commitments, which will calculate the extent to which these liabilities are matched by the Fund's assets. The current requirement is for a formal valuation every 3 years (with the current valuation being undertaken as at 31 March 2019) although this timing is now being consulted on. Training was provided by the Pension Fund's actuary (Aon) at the time of the last valuation 2016/17 but it is proposed that this is refreshed to provide context for the 2019 valuation.

Pensions administration strategy and taxation

19. The administration of the payment of pensions and the receipt of contributions is governed by the 2014 LGPS Regulations in addition to general Revenue and Customs requirements for personal tax associated with pensions. The administration of LGPS pensions is covered in the *Fundamentals* training course and the summary session delivered by Tim Hazelwood in 2017. In addition Pensions Services report twice a year to the Panel and Board on the performance of the administration of the Pension Fund.

Performance and advisors

20. A key role of the Panel and Board is the evaluation of the Pension Fund's investments, including the setting of appropriate return targets and the use of benchmarks. The requirements of the 2016 LGPS Investment Regulations include seeking appropriate investment advice. The Pension Fund received training from its advisors and investment managers in 2017 when setting the revised investment strategy and considering investments in new asset

classes. It is proposed that further training will be provided in conjunction with the Panel and Board's next review of the investment strategy due in 2020/21.

Training sessions in 2019/20 and 2020/21

21. The Panel and Board has agreed that the equivalent of two in-house training half-days should be arranged for Panel and Board members each year, split between sessions held prior to Panel and Board meetings, where this is relevant to a decision to be made at the meeting, or stand-alone sessions, as appropriate.
22. The proposals in Table 2 below set out a suggested programme for 2019 and 2020 for the Panel and Board's comments.

Table 2 – Proposals for the Panel and Board's training sessions in 2019/20 and 2020/21

	Topics
2019/20	ESG/Low Carbon Private Debt (JP Morgan) Cyber security and the impact on the Pension Fund and Role of the global custodian (JP Morgan) Actuarial valuation (Aon Hewitt)
2020/21	Internal audit update (Neil Pitman) Governance/ACCESS Investment Strategies and financial markets Growth investing (Baillie Gifford)

23. In addition to the proposals above any suggestions for training would be welcomed.

Training plan for 2019/20

24. The Panel and Board has fully supported the principle that Panel and Board members and officers should have access to training on Pension Fund matters to be able to fulfil their duties to the appropriate standard. To that end, a Training Plan is prepared each year and agreed by the Panel and Board. The proposed Plan for 2019/20 is attached as Appendix 1.
25. The Training Plan is an important part of demonstrating from a governance perspective that proper training in Pension Fund matters is made available to, and undertaken by, Panel and Board members.
26. Changes from last year's Plan have been highlighted in Appendix 1. No major changes have been made, although the Plan has been updated for the training sessions in 2019/20 and 2020/21, and the budget for 2019/20.

Training budget

Table 3 below provides a summary of the training budget and actual expenditure for 2018/19, as well as a proposed budget for 2019/20.

27. The budget for 2019/20 includes three places at the LGC investment summit, and provision for four members of the Panel and Board to attend the Fundamentals course. The budget also includes two places at the LGC investment seminar at Chester (with the possibility of an additional free place), in line with attendance in previous years.
28. Training costs are met from the governance costs of the Pension Fund. Re-allocation of planned places at courses within the budget is possible, should the Panel and Board feel it would meet training needs better to give priority to different events.

Expenses

29. The training request form, a template of which can be found in Annex 1 to Appendix 1 of this report, has been updated to clarify the Pension Fund's position on expenses for training. Panel and Board members are asked to provide an estimate of any expenses that a training event may incur. Estimated expenses should include all costs of attendance, i.e. travel, hotel, and any admission fee. Please note that hotel costs cannot be expensed if the event is held in normal office hours and is within reasonable reach of Winchester, which includes London.
30. It will not be possible to claim expenses for an event where there is a fee, or where travel costs are in excess of standard travel costs to London, if there is an equivalent event which is more local and/or complimentary. If Panel and Board members feel that such an event would be beneficial to their training needs, they should contact officers to allow them to help find the best solution to meet those training needs.

Online Training Library

31. While the internally arranged training days are intended to provide training on topics which will benefit the majority of Panel and Board members, individual members may find that they have additional areas on which they may require training or perhaps on which they wish to refresh their knowledge.
32. With this in mind, officers have developed an online training library, so that members can log in and access training materials at their own convenience, and can select the materials on topics they feel would most benefit their own training needs. The training library is currently in the process of being transferred to Sharepoint and more details of how to access it will be provided to members once the project is completed.
33. The library contains slides (and supplementary materials, where appropriate) for all the internal training sessions carried out since 2009, which cover a wide range of topics. There are also other useful documents available to download which can help fill any knowledge gaps, as well as template forms and links to the Pension Fund's annual report, statutory statements, and

latest actuarial valuation. There is also information on and a link to the Pensions Regulators Trustee Toolkit – a valuable online learning resource.

Other training resources and information

External training courses

34. If members would like to attend an external training course or conference, please complete the first half of the training request and evaluation form available at Annex 1 to Appendix 1, and return to investments@hants.gov.uk.

Training logs for 2018/19

35. Training logs are maintained by Director of Corporate Resources' staff for each member of the Panel and Board based upon members' input, in order to record the training undertaken during the year. Training logs for 2018/19 to date have been circulated to Panel and Board members for review, and include details of all relevant training courses, seminars and events attended by each member.
36. The training logs also include an assessment of whether each training event has fulfilled the need it was intended to meet.
37. Panel and Board members are also encouraged to complete a short evaluation form after each training event in order to share feedback about events, and report on whether an event was useful and well delivered. These comments will be used to inform members' decisions regarding attendance at future events.

Annual Employers Meeting 2019

38. The Annual Employers Meeting will be held in Ashburton Hall in Winchester on 18 October 2019 starting at 10:00 am, and Panel and Board members are encouraged to attend the Annual Employers Meeting if they are available.

EQUALITIES IMPACT ASSESSMENTS:

1. Equality Duty

The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by or under the Act with regard to the protected characteristics as set out in section 4 of the Act (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation);
- Advance equality of opportunity between persons who share a relevant protected characteristic within section 149(7) of the Act (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic within section 149(7) of the Act (see above) and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- The need to remove or minimise disadvantages suffered by persons sharing a relevant protected characteristic that are connected to that characteristic;
- Take steps to meet the needs of persons sharing a relevant protected characteristic that are different from the needs of persons who do not share it;
- Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

2. Equalities Impact Assessment:

See guidance at <http://intranet.hants.gov.uk/equality/equality-assessments.htm>

Insert in full your **Equality Statement** which will either state:

- (a) why you consider that the project/proposal will have a low or no impact on groups with protected characteristics or
- (b) will give details of the identified impacts and potential mitigating actions

**Hampshire Pension Fund
Pension Fund Panel and Board
Training Plan 2019/20**

Background

1. Hampshire County Council as the administering authority for the Hampshire Pension Fund has delegated responsibility for the management of the Pension Fund to the Pension Fund Panel and Board.
2. The Pension Fund Panel and Board fully supports the principle that Panel and Board members and officers have a duty to undertake all training on pension fund matters that is necessary to be able to fulfil their duties to the appropriate standard. Opportunities are made available to members and officers to attend training courses and seminars when necessary and appropriate.
3. This training plan has been prepared for the Pension Fund Panel and Board for 2019/20. As the Panel and Board's responsibilities include both investment management of the Pension Fund and pensions administration, the training plan also covers both areas.
4. This training plan has been updated to reflect training requirements identified by the completion of the detailed Training Needs Analyses carried out by members of the Pension Fund Panel and Board in early 2019.

The regulatory and governance context for the training plan

5. It is a legal requirement, as set out under section 248A of the Pensions Act 2004, that every individual who is a member of a Local Pension Board must:
be conversant with:
 - the rules of the scheme, in other words the Regulations and other regulations governing the LGPS (including the Transitional Regulations, earlier regulations and the Investment Regulations); and
 - any document recording policy about the administration of the scheme which is for the time being adopted in relation to the scheme; andhave knowledge and understanding of:
 - the law relating to pensions; and
 - such other matters as may be prescribed.
6. The Myners principles codify the best practice in investment decision-making for pension fund management. The principles require pension fund trustees to consider how the principles apply to their own fund and report

on a 'comply or explain' basis. Training is a key factor within Principle 1 which covers effective decision-making:

- trustees should ensure that decisions are taken by persons or organisations with the skills, knowledge, advice and resources necessary to take them effectively and monitor their implementation
 - trustees should have sufficient expertise to be able to evaluate and challenge the advice they receive, and manage conflicts of interest.
7. The Government also requires Local Government Pension Scheme (LGPS) funds to publish a Governance Policy Statement which includes a section on Training. A Governance Compliance Statement is also required which sets out the Pension Fund's compliance with the following principle on Training, Facility Time and Expenses:
- that in relation to the way in which the administering authority takes statutory and related decisions, there is a clear policy on training, facility time and reimbursement of expenses for members involved in the decision-making process
 - that where such a policy exists, it applies equally to all members of committees, sub-committees, advisory panels or any other form of secondary forum
 - that the administering authority considers adopting annual training plans for committee members and maintains a log of all such training undertaken.
8. The Chartered Institute of Public Finance and Accountancy (CIPFA) published a guide to the requirements for the Governance Compliance Statements in the context of the CIPFA/SOLACE publication 'Delivering Good Governance in Local Government: Framework (2007)'. The CIPFA guide links the principle in paragraph 2.2 above to the Framework's principles of:
- performing effectively in clearly defined functions and roles, and
 - developing the capacity and capability of the governing body to be effective.
9. The CIPFA guide includes the further comment that the principle in paragraph 2.2 is aimed at making sure that all those serving on committees, sub-committees and panels receive levels of training that are appropriate to their needs and that suitable arrangements are made to ensure that this is properly resourced in terms of both time and finance.
10. The Pension Fund Panel and Board fully endorse the importance placed on training in these principles. With this training plan and the training logs maintained by all Panel and Board members, the Hampshire Pension Fund is in full compliance with this principle.
11. CIPFA have also published a Code of Practice on Public Sector Pensions Finance Knowledge and Skills, which Hampshire Pension Fund has adopted. This requires policies and procedures to be in place for the

effective acquisition and retention of the relevant knowledge and skills for those in the organisation responsible for financial administration and decision making.

12. The policies and procedures will be guided by reference to the CIPFA Pensions Finance Knowledge and Skills Framework, which gives technical guidance for elected representatives and officers on the knowledge required.
13. The Code of Practice also requires an annual statement on how these policies and procedures have been put into practice, from 2012/13 onwards. A disclosure was included in the Annual Report and Accounts 2012/13 and will continue going forward.

Pension Fund Panel and Board

14. There are 21 members of the Pension Fund Panel and Board, as listed in Table 1. The table shows the experience of Panel and Board members in terms of their length of service on the Pension Fund Panel and Board.

Table 1	Membership of the Pension Fund Panel and Board
County councillors:	
Mark Kemp-Gee (Chairman)	14 years
Tom Thacker (Vice Chairman)	10 years
Christopher Carter	10 years
Alan Dowden	2 year with previous membership on the Pension Fund Panel
Jonathan Glen	2 year
Andrew Gibson	7 years
Andrew Joy	6 years
Peter Latham	3 years

Sarah Manchester	New member

15. The Panel and Board has a mixture of experienced members, who have served at least one full four-year term as members of the Panel and Board, and more recently appointed members. Panel and Board members also have a range of relevant experience from their working lives which includes, in some cases, the financial services industry and the City of London.

Access to training

16. Training opportunities are made available equally to all members of the Pension Fund Panel and Board, including the co-opted representatives of the city councils, district councils, pensioners and contributors as well as the county councillors. The full cost of attending training is met by the Pension Fund, including course fees, reasonable travel and accommodation costs.
17. The Panel and Board have considered making attendance at training courses compulsory for Pension Fund Panel and Board members. This suggestion reflected the increasing complexity and profile of pension matters and the need for Panel and Board members to keep up to date with current developments at a time of heightened scrutiny. However, whilst it is important that Panel and Board members prepare themselves properly to fulfil their responsibilities, it would not be practical to make attendance at training events a condition of Panel and Board membership. The suitability and fitness of members for their role is best left to the Panel and Board itself to monitor.
18. Each year, in order to ensure compliance with the CIPFA Code of Practice, Panel and Board members complete a detailed individual Training Needs Analysis. The purpose of this exercise is to allow Panel and Board members to consider their current level of knowledge and identify the topics on which they would like to have additional training. The Training Needs Analysis was designed around the CIPFA Pensions Finance Knowledge and Skills Framework for Elected Representatives and Non-Executives in the Public Sector, and the CIPFA Technical Knowledge and Skills Framework for Local Pension Boards, in order to ensure the Panel and Board meet the requirements set out in the guidance referenced in the regulations. The outcome of the Training Needs Analysis for 2019/20 will be discussed by the Panel and Board at this meeting. As a result, eight training sessions have been planned for 2019 and 2020 which directly relate to the training needs identified.

19. The Director of Corporate Resources' staff have developed an online library of training resources, which Panel and Board members will be able to refer to in order to obtain more information about areas where they have a specific training need, in addition to the Panel and Board-wide training proposals outlined above. The library contains slides (and supplementary materials, where appropriate) for all the internal training sessions carried out since 2009, which cover a wide range of topics. There are also other useful documents available to download which can help fill any knowledge gaps, as well as template forms and links to the Pension Fund's annual report, statutory statements, and latest actuarial valuation. There is also information on and a link to the Pensions Regulators Trustee Toolkit – a valuable online learning resource. The library will be updated whenever new material is available. Panel and Board members have been provided with a link to the library and login details.

Online learning opportunities

20. A number of online training facilities on pension fund matters have been developed by various organisations in recent years. Examples include the Trustee Toolkit which is available for free from the Pension Regulator at the following website: <http://www.trusteetoolkit.thepensionsregulator.gov.uk>. This toolkit provides an introduction to pension scheme investing, running a pension scheme, the role of the trustee, pension law etc. It was designed to meet the requirements of trustee knowledge and understanding required under the Pensions Act 2004. In early 2015, the Pensions Regulator released an on-line training resource to assist those involved in Public Sector Schemes. This is accessed via the Trustee Toolkit, and comprises an additional seven modules covering the key themes in the Code of Practice on governance and administration of public service schemes.

Officer Training

21. Each individual officer's training needs are assessed annually and training plans prepared for each section and department within the County Council. The actual training provided is evaluated each year to assess its effectiveness against the aims and objectives identified prior to the training event. In addition, professional finance staff in the Corporate Resources Directorate are required by the accountancy bodies to maintain their levels of Continuing Professional Development.

Proposed training in 2019/20

22. This training plan for 2019/20 has been designed to cater for the needs of the recently elected Panel and Board members as well as providing an opportunity to update and refresh the knowledge of the more experienced members of the Panel and Board.
23. The Panel and Board has agreed that the equivalent of two in-house training half-days should be arranged for Panel and Board members each year, split between sessions held prior to Panel and Board meetings, where this is relevant to a decision to be made at the meeting, or stand-

alone sessions, as appropriate. Table 2 below sets out the programme for 2019 and 2020, which has been formulated based upon key learning points from the Training Needs Analysis, and recommendations from Panel and Board members.

Table 2 – Proposals for the Panel and Board’s training sessions in 2019/20 and 2020/21

2020/21	<p>Internal audit update (Neil Pitman)</p> <p>Governance/ACCESS</p> <p>Investment Strategies and financial markets</p> <p>Growth investing (Baillie Gifford)</p>

24. These training sessions will also be useful for the Audit Committee in carrying out their role to receive and consider audit reports relating to the Pension Fund Panel and Board, as stated in the Hampshire County Council Constitution.
25. These bespoke training sessions will be complimented by a range of other training opportunities which will be made available to Panel and Board members during the year. These include many seminars and courses on pension fund matters provided each year by various organisations. Some are specifically tailored for LGPS funds, such as the Local Government Chronicle’s annual investment summit held in September each year. The Pension Fund’s investment managers hold annual client conferences and the Fund’s actuary Aon Hewitt also provides training events. The Director of Corporate Resources will continue to circulate details of these training opportunities to members.
26. If new members are appointed to the Panel and Board, the training proposed is as follows:
 - Attending the “Fundamentals” course held by the Local Government Employers, which specifically covers the basics for the LGPS.

- Attending the training sessions to be held during 2019.
 - Completing the Training Needs Analysis for Panel and Board members, to help identify any additional training requirements.
 - Informing new members of any external conferences and training opportunities in the future, along with the rest of the Panel and Board.
27. Reports to the Panel and Board by the officers on new developments in pension fund matters will continue to include background briefing information and this will provide another means by which Panel and Board members can keep up-to-date and develop their knowledge.
28. Panel and Board members will also be able to undertake background reading on pension fund matters and this too can contribute to meeting their training needs.

Training budget

29. Table 3 below shows the training budget for 2018/19, with the actuals for comparison, together with the proposed budget for 2019/20.
30. The budget for 2019/20 includes three places at the LGC investment summit, and provision for four members of the Panel and Board to attend the Fundamentals course. The budget also includes two places at the LGC Investment Seminar (with the possibility of an additional free place).

Training costs are met from the administration costs of the Pension Fund. "Virement" between courses within the budget is possible, should the Panel and Board feel it would meet training needs better to prioritise different events.

Training logs

31. Training logs are maintained by each member of the Panel and Board to provide evidence of the Panel and Board's commitment to training. They record the actual training undertaken during the year, including details of all relevant training courses, seminars and events attended by each member. The training logs include an assessment of whether each training event has fulfilled the need it was intended to meet.

Evaluation

32. The actual training undertaken by Panel and Board members in 2018/19 will be evaluated using the training logs to assess whether it has fulfilled the training need identified at the outset. In addition, Panel and Board members complete a short evaluation form after each training event in order to share feedback about events, and report on whether an event was useful and well delivered. A template evaluation form is attached as Annex 2 to this Training Plan. This information will be used to design the training plan for the following year.
