

## **Hampshire School Places Plan 2020 - 2024**

### **Executive Summary**

1. Hampshire is proud of the quality of education provided by its diverse and high-performing system of schools, colleges and early years' settings. The county hosts popular and highly successful infant, junior, primary, 11-16 and 11-18 schools as well as new and innovative 4-16 schools and the largest post-16 college sector in the country. The County Council is committed to ensuring that families in Hampshire have access to a good local school which offers a rich and varied learning experience, has the highest expectations for their children's success and where parents can be confident that their children will be safe. All children have the right to an enjoyable, inclusive and expansive education and it is the role of the local authority to intervene on behalf of children, especially the most vulnerable, when this is not the case.
2. Hampshire County Council has a statutory duty to ensure a sufficiency of school places for Hampshire children, this includes to:
  - Ensure sufficient childcare is available to meet the Early Years free entitlement as far as reasonably practicable;
  - Ensure sufficient maintained school provision is available to meet the needs of all Hampshire children aged up to 16;
  - Ensure sufficient post-16 provision is available for all Hampshire children;
  - Give priority at all ages to meet the needs of children with special education needs and disabilities (SEND), learning difficulties and/or disabilities up to 19 (in some cases 25);
  - Support all maintained nurseries, schools and Post-16 provision to function as high-quality, viable and financially efficient services; and to
  - Ensure fair access to educational opportunity and promote diversity and parental choice.
3. The planning and provision of additional school places is an increasingly complex task to cater for changing population, migration and new housing developments. Individual schools, subject to status, now have greater autonomy regarding admission numbers and decisions surrounding school expansions, adding further complexity to the role the County Council must undertake. The size and diversity of Hampshire also creates challenges for meeting the demand for additional school places. The main principle of current and future provision is that we will seek to provide local schools for local children.
4. The following factors are taken into account when forecasting school places:
  - Numbers of children living in area
  - Numbers of children attending local schools
  - % participation rates for numbers joining each phase of schooling;
  - known housing developments and likely pupil yield;
  - in-year migration to and from local schools, 'pushback' – children being 'pushed back' to their local schools as preferred schools fill from their own catchment demand.

5. It is the County Council's role to plan, commission and organise school places in conjunction with the Regional Schools Commissioner in a way that promotes the raising of standards, manages supply and creates a diverse infrastructure.
6. In a period of significant financial challenge, the County Council is committed to providing accommodation for school places, whether permanent or temporary, that is of high quality, fit for purpose, accessible, provides value for money and ensures flexibility to respond to changes in the curriculum.

### Hampshire's School Population

7. Hampshire continues to experience a significant pressure for places across areas of the county as high birth years' work their way through the schools and new housing (over 43,000 dwellings 2018 to 2023) is built across the county. There are also areas where trends suggest that pupil numbers are starting to fall, these will need to be monitored carefully. The new housing has been identified from existing local plan allocations and proposals emerging from District and Borough Council Local Plans currently in consultation. The demand for new housing puts significant pressure on all services and public infrastructure – particularly schools.
8. Births in the County began to drop in 2012 and were at their lowest in 2018, reflecting National Trends. This was a similar number to those in the early 2000's. However, births are predicted to grow again from 2019 due to new housing and continue to grow during the next 5-year period.
9. The table below shows the actual and forecast primary and secondary intakes across Hampshire in year R and year 7:

- 10.
11. During the period 2013 to 2019 the County Council will have delivered 12,765 new school places with projects contained within the 2020/21 to 2022/23 programme totalling a further 6,335 giving a total of 19,100 new school places by September 2021.

## Housing and Major Development Areas

12. There are 13 local planning authorities in Hampshire, (including the New Forest and South Downs National Park Authorities.) Each determines their own housing strategy and targets as part of their Local Plan (LP). The Strategic Development Team meet regularly with each of the LPAs to advise and influence on the impact potential housing developments.
13. Each LP contains a Core Strategy which sets out the planning authority's policies and general location for new housing, each of these plans are at various stages of development. The number and rate of build of dwellings on sites, and indeed the location of the sites themselves, are often subject to change which can create a challenge to the task of school place planning.

### Hampshire: Total Number of planned dwellings in Each District, 2018 and 2025

District	2018	2025
Basingstoke	74,757	83,390
East Hampsh	52,560	58,472
Eastleigh	56,502	64,336
Fareham	49,911	53,131
Gosport	37,687	39,676
Hart	39,530	43,826
Havant	55,455	59,467
New Forest	81,917	86,015
Rushmoor	39,644	45,183
Test Valley	54,485	60,336
Winchester	51,945	58,853

## Developer Contributions

- 18 In line with central government guidance on developers' contributions the County Council expects financial contributions from developers to fully mitigate the impact of their development on public infrastructure. Developers' contributions are a vital source of resources to the Children's Services capital programme. Over the period 2013 - 2019 developer contributions totalling £156m have been secured towards the cost of new places. Such funds only cover costs incurred and their availability depends on the rate of house building.
- 19 The extensive building programme over recent years has enabled a robust and comprehensive cost analysis for building new and extending schools to be produced. A national benchmarking exercise has also been undertaken with the DfE that identifies the true cost of building new school places. The benchmarking report (updated annually and led by Hampshire County Council) shows that the full delivery cost of new school places exceeds the DfE Basic Need allocation. More data on completed schemes is required for secondary but this is likely to show even more of a challenge as the gap widens.

- 20 The County Council's requirements for building in Hampshire are set out in the Developers' Contributions Guide:  
<http://www3.hants.gov.uk/education/schools/school-places.htm>

### **Special Education Needs and Disability (SEND)**

- 21 A strategic review of Hampshire's SEND provision has been undertaken and will be published in early 2020. The strategy assesses the county wide need for SEND places against current provision and will consider this alongside new school and resourced provision. Hampshire special schools have a good reputation for the quality of educational provision they offer to pupils, some of which have the most severe long term and complex educational needs. The educational offer to children with SEND also includes resourced provision within mainstream schools. This School Place Plan does not include SEND provision.

### **Making Changes to Schools in Hampshire**

- 22 Hampshire has a diverse range of schools, meaning a varied and mixed approach to school organisation is required. This mixed economy has been developed over many years and works well, change is only considered by the County Council when required. In planning the provision of school places, the County Council will also consider cross border movement of pupils between local authorities.
- 23 In planning for new mainstream provision in the primary and secondary sector the County Council will plan based on the following principles:
- Published Admission Numbers (PAN), where possible, will be multiples of 30 or 15 if this is not possible.
  - When developing new schools the County Council will seek to provide all-through primary provision and not separate infant and junior provision. It is the view of the County Council that this model provides a beneficial educational continuity between Key Stages 1 and 2 by removing the need for transition at age seven.
  - For new schools, normally required to serve significant housing developments the Council would seek to open the new provision with a minimum of 20 catchment area pupils which equates to approximately 400 occupations. Ideally the school would grow from year R, year on year, to reflect the build out rate of the development.
  - Particularly in rural areas, the County Council will give due consideration to ensuring sustainable local models are maintained.
  - The County Council promotes a co-educational system in the primary and secondary sector and all future arrangements will follow this principle.
  - Where possible the County Council will seek to have PANs across the primary sector of not less than 30 or greater than 150 and no less than 150 in the secondary sector subject to individual circumstances.
  - Large admission intakes outside the normal admission points at reception and the start of Key Stage 2 will seek to be avoided.
  - When opportunity arises the County Council will discuss with governing bodies new forms of school governance. This could include 'hard' federation of two or more schools, amalgamation of infant and junior schools into a single primary school or, the formation of all-through five to 16 schools.

- Assumed within the current funding formula is a presumption to keep smaller schools open. The County Council will seek to maintain smaller schools where the quality of provision is high and the school offers value for money.

24 The County Council keeps under review all education provision for which it has a statutory responsibility. Numerous factors might lead the County Council to make proposals for changes in school provision (these might also apply to nursery and college provision). As well as the supply and demand of school places; others factors include:

- Action to address schools that are failing or at risk of failing;
- Changes in the population and/or the continuing demand for places in an area;
- Admission arrangements in its community and controlled schools that accord with the strategy for supplying school places and oversight of the wider admissions system.
- The opportunity to bring local arrangements in-line with general Hampshire arrangements;
- Findings by Ofsted on the quality of education being provided;
- The prospects for the school of remaining or becoming viable in terms of admission factors;
- Results and data in relation to public examinations or national tests and the level of value the school can be shown to be adding to the educational attainment of its pupils;
- The popularity of the school within its local community and wider user group;
- Ability to make a full educational offer within the financial budget available;
- Clear indicators the provision has a full understanding of the challenges it faces and the ability and leadership to tackle these challenges.

25 The County Council works closely with schools, governing bodies and academy trusts to manage supply and demand issues in both the shorter and longer term. In addition, the County Council undertakes statutory consultations on the principle of enlargement or any other type of significant alteration to schools – local residents, parents, governors, local Councillors and other community representatives are consulted during this process. Statutory guidance about making organisation changes to local-authority-maintained schools, including school closure are outlined on the Department for Education website and can be found at the following link:

<https://www.gov.uk/government/publications/school-organisation-maintained-schools>

## Forecasting School Places – Methodology

- 26 The County Council collects data on the historical and current uptake of places in all schools that are maintained by the Local Authority. This data along with other linked information, primarily birth and housing data, is used to forecast school places across the County.
- 27 The methodology used is based upon a cohort survival model. The basic premise is that pupils will roll forward from one-year group to the next at the end of each academic year. If there are known housing developments within a school's catchment area, the expected pupil yield is added to the projections. This information is provided by the County Councils Economy, Transport & Environment Department and substantiated by district councils. Expected changes due to pupil mobility and migration are also taken into account. For each year group, the number of pupils on roll in January is compared with the same cohort a year later. A weighted moving average of the observed changes over the last three years (3:2:1) is calculated and applied in the same way as the participation rate
- 28 Intake into Reception Year – the number of four-year olds living in a school catchment area is determined as described above. This is compared with the number of pupils that are enrolled by the school and a participation rate is calculated. Again, a three-year weighted moving average is applied to calculate a participation rate for use in forecasting future YR enrolment at schools.
- 29 Intake to Year 3 and year 7 – pupils leaving Year 2 from a particular infant school are allocated as moving on to the linked junior school. A participation rate is calculated, and the three-year weighted average is used to forecast future intakes. Similarly, Year 6 numbers from groups of primary/junior schools are allocated for the linked secondary school. Again, the participation rate and forecast participation rate are calculated. The forecast year and intakes can then be determined.
- 30 Assumptions - The model assumes that the school population tends to be stable rather than influenced by a trend in the long term; by using this methodology we can mitigate against an exceptional trend. Weighting the average accounts for the assumption that recent events are far more likely to be replicated, but using a moving average smooths out high fluctuations in year groups in a particular year. Data on housing developments are collected and the likely effects of housing developments on pupil numbers is applied to the school(s) in whose catchment area the planned development is proposed to take place. The number of pupils that a particular development is likely to yield is determined from information supplied by local planning authorities as to the number and phasing of housing units combined with the type and tenure of those dwellings.
- 31 Cross Border Movement – Hampshire is bordered by eight local authorities with responsibility for providing school places. The number of children who do not reside in Hampshire but who attend state-funded schools within the county in Autumn 2018 was around 7,300. While authorities have a responsibility to provide school places for their own populations, this does not extend to providing for those living in other authorities' areas. Again, in times when school populations are lower, movement across administrative boundaries is likely to grow, but correspondingly to decline when numbers rise. This means that many patterns built up in recent years are likely to change. The County Council maintains regular links with adjoining authorities to

exchange data and review the implications of forecasts for the future supply of school places

- 32 Pushback (Secondary Yr7 Intake Only) - Additional calculations are included to take account of anticipated pupil movements between catchment areas, across planning areas and to and from schools outside of Hampshire. The forecasting model takes into account movements into and out of individual school's catchment areas. This information is then applied to the projected numbers and, taking account of school capacities, identifies those children who will no longer be able to attend a school outside of their own catchment area and then "pushes them back" to their catchment school. These children are then added back into the forecasts of their catchment school. This is done on a distance basis in-line with Hampshire County Council Admissions Policy, so those travelling from furthest away will be "pushed back" first. The forecasts for secondary in this document include pushback.

### **Understanding the forecasts for school places in each area**

- 33 For the purposes of school place planning the 11 districts and boroughs (excluding National Parks) are broken down into more localised education planning areas. The following pages identify current and forecast future aggregated pupil numbers and schools' capacities within each planning area and, indicate actions being taken and considered as necessary to ensure a sufficiency of school provision within these areas.
- 34 When looking at forecasts in each of the following sections it is important to understand that the figures presented are 'not' statements of fact. It should also be noted that whilst the Local Authority will seek to meet parental preference, our forecasts focus on the number of school places available within a school place planning area. It can be the case that some schools in an area are regularly oversubscribed in relation to parental preference. This could suggest a shortage of school places in the area. However, parental preferences only show where parents would like their children to attend school, not if there is a shortage of school places in an area.

**Glossary of Terms:**

- 35 Forecast: The reception year intake is estimated using Small Area Population Forecasts (SAPF) of 4-year-olds produced by HCC Research & Intelligence Group. Other year groups are based on the number of pupils on roll from the January School Census. The expected pupil yield from new housing is also produced by HCC Research & Intelligence Group.
- 36 Published Admission Number (PAN): 'PAN' is the Published Admission Number. This is the number of school places that the admission authority must offer in each relevant age group in a school for which it is the admissions authority. Admission numbers are part of the school's admission arrangements.
- 37 Own Admissions Authority: For foundation and voluntary aided schools, the admissions authority is the governing body. For academies, the admissions authority is the Academy Trust.
- 38 Number on Roll: The number of pupils registered at a school is called the Number on Roll (NOR). Numbers will vary as pupils leave schools and other pupils join the school. Therefore, the number of pupils is counted at fixed times each year through a census near the start of each term.
- 39 Catchment Area: A school catchment area is the geographic area from which children may be afforded priority for admission to a particular school. A catchment area is part of the school's admissions arrangements and must therefore be consulted upon, determined and published in the same way as other admission arrangements.
- 40 Planning Area: Schools are grouped into Planning Areas - this is based upon historic pupil movements between the school catchments within a local area. These are reviewed annually.

**BASINGSTOKE & DEANE**

Basingstoke and Deane's Local Plan covers the period 2011-2029 and was adopted on 26 May 2016. Overall a total of 15,300 new homes are expected during this plan period at an annual rate of 850 completions, with a significant proportion of new dwellings being developed on green field sites. The Borough Council agreed on 16 May 2019 to launch the preparation of an updated Local Plan.

Whitchurch	1	190	179	6%	190	185	3%
Kingsclere	1	145	70	52%	145	75	48%

**Explanatory notes:**

- Basingstoke Town has been split into 5 primary planning areas to reflect the communities and pupil movement within the town.
- Some of the larger strategic housing sites impact on more than one school place planning area
- Basingstoke Area B – the change in PAN's reflects the reduction of Marnel Infant School by 30
- Basingstoke Area C – the expansion in PAN relates to the proposed new Manydown Primary school, initially at 1fe. Discussions with local schools regarding surplus places will take place.
- Basingstoke Area E – the additional places relate to the proposed new Hounsome Fields Primary School initially at 1fe. Discussions with local schools regarding surplus places will take place.
- Basingstoke rural south and north show a shortfall of places. This is due to large housing sites being currently located in catchment areas for the schools in these planning areas. As these sites come forward, consultations will take places about changes to school catchment areas to reflect the need for any additional school places through new or expanded schools.
- Additional places for the Manydown new school (initially as 1fe) are added to Area C to reflect the urban extension of Basingstoke, rather than remaining with the rural planning area

**Planned significant housing developments in area:**

- Area A:
  - Razors Farm (425 dwellings granted and on site)
  - Aurum (130 dwellings granted and on site)
  - Redlands (150 dwellings granted)
  - Swing Swang Lane (100 dwellings granted)
  - East of Basingstoke (450 dwellings in the local plan)
  - Upper Cufaude Farm (350 dwellings pending decision)
- Area B:
  - North of Marnel Park (450+200 dwellings granted and on site)
  - Chapel Hill (578 dwellings granted and on site)
- Area C:
  - Land north of Park Prewett (585 dwellings granted and on site)
  - Barn at Park Prewitt (20 dwellings granted)
  - Commercial Area at Park Prewitt (16 dwellings granted)
  - Priestley/Aldermaston Road (80 dwellings granted)
  - Spinney / Trumpet Junction (122 dwellings granted)
- Area D:
  - Kennel Farm (310 dwellings granted and on site)

- Worting Farm (70 dwellings on site)
- Area E:
  - Hounsme Fields (750 dwellings granted)
  - Basingstoke Golf Course (1,000 dwellings pending decision)
- Basingstoke Rural:
  - Minchens Lane (200 granted and on site)
  - The Street (82 dwellings granted)
  - Sherfield Road (50 dwellings granted)
- Basingstoke Rural South:
  - Beech Tree Close (85 dwellings granted)
  - Land at Park Farm (48 dwellings granted)
  - Manydown (3520 dwellings in the local plan)
- Whitchurch:
  - Caesers Way (36 dwellings granted)
  - Hurstbourne Station (44 dwellings granted)
  - Winchester Road (100 dwellings and on site)
  - Overton: Overton Hill (120 dwellings and on site)
  - Sapley Lane (55 dwelling granted)
  - Hurstbourne Station 2 (44 dwellings granted)
  - Evingar Road (70 dwellings granted)

#### **County Council Programmed School Expansions 2020-2024:**

- 2023: Area C – New Primary School linked to Manydown development 1fe initially
- 2023: Area E – New Primary School linked to Hounsme Fields development 1fe initially
- 2024: Area D – Park View Primary School – (1fe expansion to 3fe)
- 2024: Area A – 1fe additional provision – either expansion of existing or new school
- 2024: Whitchurch – Overton CE Primary School – (0.5fe expansion to 2½fe)
- 2024: Whitchurch – Whitchurch Primary School – (0.5fe expansion to 2½fe)

## **EAST HAMPSHIRE**

East Hampshire's Local Plan is currently being updated. There is a major development at Whitehill/Bordon for 4,000 new homes that is currently building out and will require the expansion of existing primary provision and a new primary school. As part of the need for additional secondary school places Mill Chase Academy has been relocated to a new site and is now known as Oakmoor School .

### **Explanatory notes:**

- The areas of Four Marks and Ropley fall into the Alresford Planning area for education and are in the Winchester part of this Plan.
- The forecast for the Alton area includes out-of-catchment recruitment. There are sufficient places available for in-catchment pupils.

### **Planned significant housing developments in area:**

- Alton:
  - Treloar Hospital (530 dwellings granted)
  - Cadnam Farm (275 dwellings granted and on site)

- East of Will Hall Farm (200 dwellings granted and on site)
- Alton Sports & Social Club (85 dwellings granted and on site)
  
- Bordon/Liss/Liphook:
  - Quebec Barracks, Bordon (90 dwellings granted and on site)
  - Louisburg Barracks, Bordon (500 dwellings granted and on site)
  - Prince Phillip Barracks (2400 dwellings granted and on site)
  - Longmoor Road, Liphook (11 dwellings granted and on site)
  - Lowsley Farm (155 dwellings granted)
  
- Horndean/Clanfield:
  - Down Farm (207 dwellings granted and on site)
  - Hazelton Farm (700 dwellings granted – new application submitted for 800, pending decision)
  - Former Brickworks, College Close (34 dwellings granted)
  - Keyline Builders Merchants, Rowlands Castle (43 dwellings granted and on site)

**County Council Programmed School Expansions 2020-2024:**

- 2022: Bordon Infant & Junior Schools – (1fe expansion to 3fe)
- 2024: Hazelton Farm - 1fe new primary school
- 2024: Four Marks CE Primary School – (0.5fe expansion to 2fe)
- 2025 or later: New 2/3fe primary school to serve Bordon/Whitehill

## **EASTLEIGH**

Eastleigh Borough Council's Local Plan (2016 – 2036) is currently in a public examination phase. It plans for 14,580 new homes to be built in the borough, of which 7,560 dwellings have either been granted planning permission or a resolution to permit. The proposed strategic growth option, north of Bishopstoke and north and east of Fair Oak, is expected to deliver at least 3,350 dwellings by 2036 and include new schools to serve the development. The Local Plan also allocates urban redevelopments, small green field sites and small windfall sites. The Borough Council's Local Development Framework sets out the timetable for the emerging Local Plan.

Hamble	1	210	240	-14%	240	200	17%

### **Explanatory notes:**

- Some of the larger strategic sites impact on more than one School Place Planning area.
- The Land west of Horton Heath Off Bubb Lane, Burnetts Lane, Allington Lane and Fir Tree Lane, Boorley Green & Gardens development yields are shown in the Fair Oak and Hedge End planning areas respectively – the deficit of places will be catered for by proposed new schools and the expansion of existing schools. There are a number of

schools currently operating over their published admissions number in order to accommodate bulge years. This arrangement is temporary and under constant review.

- The surplus primary places forecast in Eastleigh Town is currently under review but includes the additional 1.5fe school that will serve the Stoneham Park development of 1100 new homes.
- The surplus secondary places forecast in Hamble reflects the Hamble Schools request to increase their PAN to 240 from 2021

### **Planned significant housing developments in area:**

- Eastleigh Town:
  - Kipling Road (94 dwellings granted and on site)
  - North Stoneham Park (1157 dwellings granted and on site)
  
- Fair Oak / Bishopstoke:
  - Winchester Road / Hardings Lane (330 dwellings granted and on site)
  - St Swithun Lane Wells (72 dwelling granted)
  - Hammerley Farm Phase 1 (67 dwellings granted and on site)
  - Pembers Hill Farm (242 dwellings granted)

- 2025 or later: Horton Heath proposed new 2fe primary school

## **FAREHAM**

Fareham Borough Council is currently reviewing their plans for future housing plans for the Borough covering the period to 2036.

The Welborne development for up to 6000 new homes has now received planning permission. A housing development of this size will require 3 new primary schools and a new secondary school. The developer has indicated that they plan to start on site in 2020/21, although exact timing for the development is still to be confirmed.

### **Explanatory notes:**

- The Portchester schools attract applications from out of county, Portsmouth, (hence the deficit shown), however, the local schools have sufficient places for pupils living in their catchment. This is subject to a review of housing plans in the local area.

### **Planned significant housing developments in area:**

- Fareham West:
  - Fareham: Welborne (6000 dwellings pending application decision)
  - East of Brook Lane (TW) (85 dwellings granted)
  - East of Brook Lane (FH) (180 dwellings granted)
  - East of Brook Lane (BH) (140 dwellings granted)

- Southampton Road, Titchfield (105 dwellings pending application decision)
  
- Fareham Central/East:
  - Funtley Road North (27 dwellings granted)
  - Funtley Road South (55 dwellings granted)
  
- Portchester:
  - Downend Road (350 dwellings pending appeal decision)
  - Seafield Road (48 dwellings pending appeal decision)
  
- Crofton:
  - The Grange, Oakcroft Lane (26 dwellings pending appeal decision)
  - Land at Newgate Lane (125 dwellings pending application decision)
  
- Whiteley:
  - North Whiteley: (3500 dwellings granted)

**County Council Programmed School Expansions 2020-2024:**

- 2021: Cornerstone CE Primary (relocation and expansion to 3fe)
- 2023: Proposed new 3fe primary school to serve the Welborne development
- 2023: Fareham Primary Places - Sarisbury Infant & Junior or Hook with Warsash Primary (1fe expansion)

**GOSPORT**

Gosport Borough Council's Local Plan covers the period 2011 to 2029 and was adopted in October 2015 and makes provision for an additional 3,060 dwellings in the plan period. The Borough Council has started to revise the current Local Plan to take account of changes in Government Policy and will be consulting on this early in 2020.

Gosport	3	890	827	7%	830	788	5%

**Explanatory notes:**

- Due to the level of surplus places forecast in two of the primary planning areas, discussions will take with schools on how this can be managed going forward. Some reductions in PAN's are planned for 2021, subject to approval.
- The position in Gosport South-West will be kept under review.
- The reduction in places in Gosport Central reflects a reduction in the PAN at Grange Infant School, subject to approval.
- The reduction in places in Gosport North reflects the reduction in the PAN at Bedenham Primary School subject to approval
- The reduction in places in Gosport South-East reflects the reduction in the PAN at St Mary's Catholic (VA) Primary School. The position will be kept under review.

**Planned significant housing developments in area:**

- Royal Hospital Haslar (316 dwellings granted and on site)

**County Council Programmed School Expansions 2020-2024:**

- None

**HART**

Hart District Council (HDC) Draft Local Plan (Strategy and Sites 2016-2032) is currently being examined. HDC agreed to initial recommendations received from the Inspector in February 2019 and consulted on a full suite of Proposed Main Modifications during the summer. Subject to the Inspector's consideration of the responses received the council estimates the Local Plan being adopted in February 2020. Around 2,000 new dwellings are planned to be delivered by 2022.

In addition, HDC was recently notified that it had been successful in a bid to join the Government's Garden Communities programme for a large new settlement to be known as Shapley Heath Garden Village. The impact of significant new housing numbers on the secondary sector is kept under constant review but will currently be met by existing schools sites and/or at a new secondary school at Murrell Green/Winchfield, subject to the outcome of the New Settlement Development Plan Document process.

Odiham	1	270	269	0%	270	268	1%
Yateley	2	385	356	8%	385	314	18%

**Explanatory notes:**

- Some of the larger strategic sites impact on more than one School place planning area.
- There are a number of schools currently operating over their published admissions number in order to accommodate bulge years. This arrangement is temporary and under constant review.
- Additional places are planned at a new 2fe primary school to serve the Hartland Village development which is now underway.
- The surplus secondary places forecast in Yateley is currently under review.

**Planned significant housing developments in area:**

- Fleet/ Crookham:
  - Queen Elizabeth Barracks – (972 dwellings granted and on site)
  - Queen Elizabeth Barracks Phase 3 – (100 dwellings granted and on site)
  - Edenbrook Village, Hitches Lane (193 dwellings granted and on site)
  - Albany Park, Watery Lane (300 dwellings granted)
  - Netherhouse Copse (426 dwellings granted and on site)
  - Brickyard Plantation, Pale Lane (45 dwellings granted and on site)
  - Hartland Park (up to 1500 dwellings – first phase granted and on site)
  - Edenbrook Extension (59 dwellings granted)
  - Elvetham Chase (700 dwellings - in appeal)
  - Hawley Park Farm (126 dwellings granted, site implemented)
  - Sun/Guillemont Park (313 dwellings granted and on site)
  
- Yateley / Frogmore:
  - Moulsham Lane (150 dwellings granted and on site)
  
- Hook:
  - North East of Hook, London Road (550 dwellings granted and on site)
  - Reading Road (70 dwellings granted and on site)
  - Odiham Road (83 dwellings granted and on site)
  - Bartley House (102 dwellings granted)

**County Council Programmed School Expansions 2020-2024:**

- 2021: Calthorpe Park Secondary School (up to 2fe expansion)
- 2023: Proposed Hartland Park new 2fe primary school

## **HAVANT**

Havant Borough Council's Local Plan is currently in draft. It is anticipated that around 10,200 homes will be built by 2036. Of this number, 1,327 are planned within new urban sites and 2,100 are currently being planned to be delivered within two strategic sites. It is anticipated that this number could rise as discussions develop.

Havant	3	510	437	14%	510	434	15%
Hayling Island	1	150	110	27%	150	111	26%

### **Explanatory notes:**

- Cowplain shows as an area of growth as the Berewood development builds out. The need for an additional primary school has been established and discussions are underway with the developer on the timing of this provision.
- Emsworth Schools recruit from Havant Town so should be able to accommodate the need for Emsworth places within the existing accommodation.
- When the new housing on Hayling Island is built the surplus places shown will reduce.

### **Planned significant housing developments in area:**

- Havant:
  - Kingsclere Avenue (25 dwellings granted and on site)

- Blendworth Crescent (48 dwellings granted and on site)
  - Land south of Bartons Road (175 dwellings granted)
  - Forty Acres (320 dwellings pending application decision)
  - Campdown (700 dwellings currently in the local plan)
  - Southmere Field (68 dwellings)
  - Fort Purbrook (currently in the local plan)
  - Golf Course (currently in the local plan)
  - Strategic Development Area between Denvilles and Emsworth (at least 2,100 dwellings)
- Cowplain:
    - West of Waterlooville (Berewood)
- Waterlooville:
    - East of College Road / Campdown (500 dwellings in local plan)
- Emsworth:
    - Coldharbour Farm Phase 2 (45 dwellings lapsed)
    - Horndean Road (125 dwelling granted)
    - Havant Road (147 dwellings pending application decision)
    - Long Copse Lane (260 dwellings pending application decision)
    - Selangor Avenue (192 dwellings granted)
- Hayling:
    - Station Road (76 dwellings granted)
    - St Marys Road (230 dwellings at pre-application stage)
    - Sinah Road (195 dwellings pending application decision)

### **County Council Programmed School Expansions 2020-2024:**

- 2023: Proposed new Berewood 1.5fe/2fe primary school
- 2024: Mengham Infant & Junior Schools (1fe expansion to 3fe) dependent upon new housing being brought forward
- 2025: Morelands Primary School (0.5fe expansion to 2fe)

## **NEW FOREST**

New Forest District Council's Local Plan is being examined. On 1 November 2018 the Council submitted the Local Plan 2016-2036 Part 1: Planning Strategy to the Secretary of State for independent examination. The outcome of this suggests it will be possible to make provision for around 10,500 homes to be built in the area over the next 20 years. Due to this level of planned housing, significant new primary provision is likely to be required.

The New Forest National Park (NFNP) Plan was adopted in August 2019. NFNP have highlighted sites for 800 dwellings proposed between 2016 and 2036.

Forest	4	833	830	0%	833	833	0%
Totton / Waterside	5	1079	869	19%	1079	828	23%

### **Explanatory notes:**

Bransgore Primary (Academy) are consulting on an increase in their PAN from 45 to 60, which creates surplus places within the Ringwood planning area.

Discussions to take place with local primary headteachers about surplus places in Dibden/Waterside.

There is pressure forecast at primary in New Milton and development planned within the area as detailed below. An expansion of one of the schools within the planning area is required.

**Planned significant housing developments in area:**

- Ringwood:
  - Crow Arch Lane (175 dwellings granted and on site)
  - Snails Lane, Poulner (143 dwellings pending application decision)
  - Hightown Road - (approx 320 dwellings)
  - Moortown Road - (450-500 dwellings)
- Fordingbridge:
  - Whitsbury Road (145 dwellings granted)
- Lymington
  - Pinetops Nurseries (45 dwellings granted)
- Dibben and South Waterside:
  - Forest Lodge Farm, Hythe (45 dwellings granted)
  - Fawley Power Station (up to 1,500 dwellings in pre-application stage)
  - 860 homes proposed within Marchwood area in the Local Plan
- Totton:
  - Loperwood Farm (21 dwellings granted)
  - Loperwood Lane (80 dwellings granted)
- New Milton
  - Up to 650 dwellings outlined in Neighbourhood Plan

**County Council Programmed School Expansions 2020-2024:**

- 2024 or later: Primary expansion within the New Milton planning area

## **RUSHMOOR**

Rushmoor Borough Council's Local Plan was adopted in February 2019. This includes the re-development of military land known as Aldershot Urban Extension (Wellesley) to provide up to 3,850 dwellings with around 344 dwellings being occupied by June 2019.

Aldershot	1	370	347	6%	370	406	-10%
Farnborough / Cove	2	390	282	28%	390	346	11%

### **Explanatory notes:**

- Farnborough South – the long-term requirement for additional places is being reviewed.
- Aldershot - this is a complex area for school place planning due to cross border pupil movement and turbulence from army movements. The area is under pressure both at primary and secondary, forecasting a shortfall in places which is under review.
- Marlborough Infant is reducing its PAN from 45 to 30 in 2020.
- Farnborough North – St Bernadette's Primary are reducing their PAN from 45 to 30.

### **Planned significant housing developments in area:**

- Aldershot:
  - Aldershot Urban Extension (AUE) (3850 dwellings started in 2015)
- Farnborough:
  - Sun Park, Sandy Lane (150 dwellings granted and on site)
  - Sun Park Phase 2 (313 dwellings granted)
  - Meudon House – (205 dwellings granted)

**County Council Programmed School Expansions 2020-2024:**

- 2025 or later: Proposed 1fe or 2fe secondary expansion
- 2024 or later: Proposed 2fe primary school to serve the Wellesley development

## **TEST VALLEY**

Test Valley Borough Council consulted on their revised Local Plan in 2016. The Plan identifies 10,584 dwellings to be built between 2011 and 2029 with a significant proportion of sites already having planning permission.

Test Valley	1	156	93	40%	156	108	31%
Romsey / Stockbridge	2	508	532	-5%	508	502	1%

### **Explanatory notes:**

- Romsey Rural forecast -12% is due to the forecast including children from outside of the area (predominantly Southampton) but the schools can cope with their catchment numbers.
- Stockbridge forecast – includes a low forecast for the primary school serving the Middle Wallop flying school.
- Andover – discussions underway with the secondary school coming under the highest pressure for places with a view to raising their PAN.
- Test Valley – discussions taking place with the school about low numbers.

**Planned significant housing developments in area:**

- Andover Town
  - East Anton (2500 dwellings granted and on site)
  - South of Walworth Road (63 dwellings granted)
  - Goch Way (85 dwellings granted and on site)
  - Walworth Road, Picket Piece (53 dwellings granted)

  - Roundabouts Copse (33 dwellings granted and on site)
  - Whitenap (1,200 dwellings)
  
- Stockbridge
  - School Lane, Broughton (32 dwellings granted)

**County Council Programmed School Expansions 2020-2024:**

- None

**WINCHESTER**

Winchester City's Local Plan was adopted in March 2013. The plan identifies the requirement for 12,500 dwellings to be built between 2011 and 2031. Winchester City Council consulted on their Local Plan Part 2 in 2014 with this being adopted in April 2017.
