1. The decision:

That Cabinet are asked to:

- 1.1 Note the contents of this report.
- 1.2 Endorse continued managerial and operational engagement with NHS partners in providing support to our population across a range of existing joint activity.
- 1.3 Note that the Health and Wellbeing Board is the primary strategic and political interface with the Hampshire and the Isle of Wight Sustainability and Transformation Partnership (HIOW STP).
- 1.4 Support the development of greater coherence across NHS organisations, through the NHS Long Term Plan, recognising that the plan is primarily a health service document.
- 1.5 Endorse the approach of the County Council in ensuring that the Hampshire health and care system, in all of its forms, maintains a core focus upon improving outcomes for our population.

2. Reasons for the decision:

- 2.1 The development of the HIOW STP and the response to the NHS Long Term Plan is a complex and complicated task. A great deal of time and effort has been expended to develop proposals and more importantly to ensure services are delivered to our population. It is important that Hampshire County Council continues to work with NHS and other partners in developing and delivering services and responses that meet our populations needs. However, the NHS LTP needs to be seen as an NHS plan and support as such
