In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website ([www.PSAA.co.uk](http://www.PSAA.co.uk)).

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment (updated September 2015)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature..

This report is made solely to the Audit Committee, other members of the Council and management of Hampshire County Council in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Audit Committee, other members of the Council and management of Hampshire County Council those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee, other members of the Council and management of Hampshire County Council for this report or for the opinions we have formed. ## Overview of the audit

### Scope and materiality

In our Audit Plan presented to the 2 February 2017 Audit Committee meeting, we gave you an overview of how we intended to carry out our responsibilities as your auditor. We carried out our audit in accordance with this plan.

We planned our procedures using a materiality of £20.64million for the Council. We reassessed this using the actual year-end figure, which has decreased the amount to £20.553million for the Council. The threshold for reporting audit differences has decreased from £1.03million to £1.028 for the Council. The basis of our assessment of materiality has remained consistent with prior years, for the Council it is based on 2% of Gross Revenue Expenditure.

We identified areas where misstatement at a lower level than our overall materiality might influence the reader and developed an audit strategy specific to these areas, namely, remuneration disclosures including any severance payments, exit packages and termination benefits, related party transactions and members' allowances.

### Status of the audit

We have substantially completed our audit of the Council's financial statements for the year ended 31 March 2017 and have performed the procedures outlined in our Audit plan. Subject to satisfactory completion of the following outstanding items we expect to issue an unqualified opinion on the Council's financial statements and value for money conclusion in the form which appears at section 3. However until work is complete, further amendments may arise:

- review of the final version of the financial statements;
- completion of subsequent events review;
- receipt of the signed management representation letter; and
- completion of procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission.

We expect to issue the audit certificate at the same time as the audit opinion.

#### Areas of audit focus

Our Audit Plan identified key areas of focus for our audit of Hampshire County Council's financial statements. We summarise our consideration of these matters, and any others identified, in the "Key Audit Issues" section of this report.

We ask you to review these and any other matters in this report to ensure:

## Areas of Audit Focus

## Areas of Audit Focus

### Audit issues and approach

#### Management override

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any transactions during our audit which appeared unusual or outside the Council's normal course of business.

#### What is the risk?

**Risk of management override**

As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and to prepare fraudulent financial statements by overriding controls that otherwise seem to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any transactions during our audit which appeared unusual or outside the Council's normal course of business.

#### What did we do?

- We tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in preparing the financial statements;
- We reviewed accounting estimates (NNDR provisions, IAS 19 pension transactions, and Property Plant and equipment balances) for evidence of management bias;
- We evaluated the business rationale for any significant unusual transactions; and
- We performed analytical review procedures and tested accruals and provisions.

### Our opinion on the financial statements

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HAMPSHIRE COUNTY COUNCIL

##### Opinion on the Council's financial statements

We have audited the financial statements of Hampshire County Council for the year ended 31 March 2017 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Movement in Reserves Statement;
- Comprehensive Income and Expenditure Statement;
- Balance Sheet;
- Cash Flow Statement;
- and the related notes 1 to 33 and Expenditure and Funding Analysis to the Council accounts;

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

This report is made solely to the members of Hampshire County Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Council and the Council's members as a body, for our audit work, for this report, or for the opinions we have formed.

##### Respective responsibilities of the Chief Finance Officer and auditor

As explained more fully in the Statement of the Responsibilities set out on page 182, the Chief Finance Officer is responsible for the preparation of the Council's financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

##### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Council's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the

Chief Finance Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2016/17 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Hampshire County Council as at 31 March 2017 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

In our opinion, the information given in the Statement of Accounts 2016/17 for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### Matters on which we report by exception

We report if:

- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

### Our opinion on the financial statements

Conclusion on Hampshire County Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Council's responsibilities

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2016, as to whether Hampshire County Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Hampshire County Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2017.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Hampshire County Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

## Draft audit report (continued)

### Our opinion on the financial statements

#### Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Hampshire County Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2017.

#### Certificate

We certify that we have completed the audit of the accounts of Hampshire County Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

## Audit Differences

## Audit Differences

---

### Audit differences

In any audit, we may identify misstatements between amounts we believe should be recorded in the financial statements and disclosures and amounts actually recorded. These differences are classified as 'known' or 'judgemental'. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

#### Summary of adjusted differences

There were no uncorrected misstatements. The only adjustments to the financial statements have been for minor disclosure errors, all of which have been corrected.

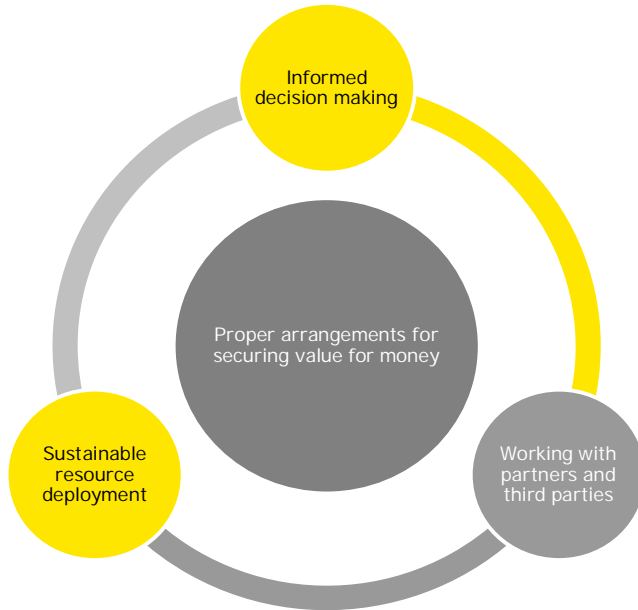

05 Value for Money

## Value for Money

### Economy, efficiency and effectiveness

We must consider whether you have 'proper arrangements' to secure economy, efficiency and effectiveness in your use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- take informed decisions;
- deploy resources in a sustainable manner; and
- work with partners and other third parties.

In considering your proper arrangements, we use the CIPFA/SOLACE framework for local government to ensure that our assessment is made against an already existing mandatory framework which you use in documents such as your Annual Governance Statement.

### Overall conclusion

We did not identify any significant risks around these criteria.

We therefore expect having no matters to report about your arrangements to secure economy, efficiency and effectiveness in your use of resources

06

## Other reporting issues

## Other reporting issues

### Consistency of other information published with the financial statements, including the Annual Governance Statement

We must give an opinion on the consistency of the financial and non-financial information in the Statement of Accounts 2016/17 with the audited financial statements.

We must also review the Annual Governance Statement for completeness of disclosures, consistency with other information from our work, and whether it complies with relevant guidance.

We have reviewed the Annual Governance Statement and can confirm it is consistent with other information from our audit of the financial statements and we have no other matters to report.

### Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review, and the nature of our report, is specified by the National Audit Office.

We have no issues to raise.

### Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Council to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Council, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

### Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Council's financial reporting process. There are no issues to report.

## Assessment of Control Environment

# Assessment of Control Environment

---

## Assessment of control environment

### Financial controls

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter which you should review, as well as us. It is important that you and your Audit Committee consider the facts known to you and come to a view. If you would like to discuss any matters concerning our independence, we will be pleased to do this at the meeting of the Audit Committee on 28 September 2017.

As part of our reporting on our independence, we set out below a summary of the fees paid for the year ended 31 March 2017. We confirm that we have not undertaken non-audit work outside the PSAA Code requirements.

### Accounting update

Since the date of our last report to the Audit Committee, new accounting standards and interpretations have been issued. The following table provides a high level summary of those that have the potential to have the most significant impact on you:

<i>IFRS 9 Financial Instruments</i>	<p>Applicable for local authority accounts from the 2018/19 financial year and will change:</p> <ul style="list-style-type: none"> <li>• How financial assets are classified and measured</li> <li>• How the impairment of financial assets are calculated</li> <li>• Financial hedge accounting</li> <li>• The disclosure requirements for financial assets.</li> </ul> <p>• Transitional arrangements are included within the accounting standard, however as the 2018/19 Accounting Code of Practice for Local Authorities has yet to be issued it is unclear what the impact on local authority accounting will be and whether any accounting statutory overrides will be introduced to mitigate any impact.</p>	<p>Although some initial thoughts on the approach to adopting IFRS 9 have been issued by CIPFA, until the Code is issued and any statutory overrides are confirmed there remains some uncertainty. However, what is clear is that the Council will have to:</p> <ul style="list-style-type: none"> <li>• Reclassify existing financial instrument assets</li> <li>• Remeasure and recalculate potential impairments of those assets; and</li> <li>• Prepare additional disclosure notes for material items</li> </ul>
<i>IFRS 15 Revenue from Contracts with Customers</i>	<p>Applicable for local authority accounts from the 2018/19 financial year. This new standard deals with accounting for all contracts with customers except:</p> <ul style="list-style-type: none"> <li>• Leases;</li> <li>• Financial instruments;</li> <li>• Insurance contracts; and</li> <li>• for local authorities; Council Tax and NDR income.</li> </ul> <p>The key requirements of the standard cover the identification of performance obligations under customer contracts and the linking of income to the meeting of those performance obligations.</p> <p>• There are transitional arrangements within the standard; however as the 2018/19 Accounting Code of Practice for Local Authorities has yet to be issued it is unclear what the impact on local authority accounting will be.</p>	<p>As with IFRS 9, some initial thoughts on the approach to adopting IFRS 15 have been issued by CIPFA. However, until the Code is issued there remains some uncertainty. However, what is clear is that for all material income sources from customers the Council will have to:</p> <ul style="list-style-type: none"> <li>• Disaggregate revenue into appropriate categories</li> <li>• Identify relevant performance obligations and allocate income to each</li> <li>• Summarise significant judgements</li> </ul>

## Appendix C

### *IFRS 16 Leases*

IFRS 16 will be applicable for local authority accounts from the 2019/20 financial year.

Whilst the definition of a lease remains similar to the current leasing standard; IAS 17, for local authorities who lease in a large number of assets the new standard will have a significant impact, with nearly all current leases being included on the balance sheet.

There are transitional arrangements within the standard, although as the 2019/20 Accounting Code of Practice for Local Authorities has yet to be issued it is unclear what the impact on local authority accounting will be or whether any statutory overrides will be introduced.

Until the 2019/20 Accounting Code is issued and any statutory overrides are confirmed there remains some uncertainty in this area.

However, what is clear is that the Council will need to undertake a detailed exercise to classify all of its leases and therefore must ensure that all lease arrangements are fully documented.
