The "Terms of Appointment (updated February 2017)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature..

01 Executive Summary

Executive Summary

Overview of the audit

Scope and materiality

In our Audit Plan presented to the 22 June 2017 Audit Committee meeting, we gave you an overview of how we intended to carry out our responsibilities as your auditor. We carried out our audit in accordance with this plan.

We planned our procedures using a materiality of £52.1 million. We reassessed this using the actual year-end figures, which has increased this amount to £63.37 million. The threshold for reporting audit differences has increased from £2.06 million to £3.17 million. The basis of our assessment of materiality has remained consistent with prior years at 1% of net assets.

Status of the audit

We have substantially completed our audit of Hampshire Pension fund's financial statements for the year ended 31 March 2017 and have performed the procedures outlined in our Audit plan. Subject to satisfactory completion of the following outstanding items we expect to issue an unqualified opinion on the Fund's financial statements. However until work is complete, further amendments may arise:

- Completion of final director review process
- receipt of the signed management representation letter

Audit differences

There are no unadjusted or adjusted audit differences arising from our audit.

Other reporting issues

We have reviewed the information presented in the Annual Report for consistency with the audited financial statements and our knowledge of the Fund. We have no matters to report as a result of this work.

We have no other matters to report.

Executive Summary

Executive summary (continued)

Areas of audit focus

Our Audit Plan identified key areas of focus for our audit of Hampshire Pension Fund's financial statements. We summarise our consideration of these matters, and any others identified, in the "Key Audit Issues" section of this report.

We ask you to review these and any other matters in this report to ensure:

- There are no other considerations or matters that could have an impact on these issues
- You agree with the resolution of the issue
- There are no other significant issues to be considered.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit Committee.

Control observations

We have adopted a fully substantive approach, so have not specifically tested the operation of any controls.

Independence

Please refer to Appendix B for our update on Independence.

02 Areas of Audit Focus

Areas of Audit Focus

Audit issues and approach: Key issue: Management Override

Management override

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.
We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Fund's normal course of business

What is the risk?

Risk of management override
As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and to prepare fraudulent financial statements by overriding controls that otherwise seem to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

 Significant Risk

What did we do?

- We tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in preparing the financial statements;
- We reviewed the actuarial valuation accounting estimate for evidence of management bias; and
- We evaluated the business rationale for any significant unusual transactions.
- We have tested for the risk of management override of controls in investments and investment income and found no indication of bias in the valuation.

Draft audit report

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HAMPSHIRE PENSION FUND

Opinion on the pension fund financial statements

We have audited the pension fund financial statements for the year ended 31 March 2017 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 28. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

This report is made solely to the members of Hampshire Pension Fund in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the authority and the authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Financial Officer and auditor

As explained more fully in the Statement of the Chief Financial Officer's Responsibilities set out on page 182 the Chief Financial Officer is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2016/17 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Audit Report

Opinion on financial statements

In our opinion the pension fund financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2017 and the amount and disposition of the fund's assets and liabilities as at 31 March 2017; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2016/17 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

The maintenance and integrity of the Hampshire County Council web site is the responsibility of the directors; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the web site.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

04

Audit Differences

Audit Differences

Audit differences

In any audit, we may identify misstatements between amounts we believe should be recorded in the financial statements and disclosures and amounts actually recorded. These differences are classified as 'known' or 'judgemental'. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted differences

There were no corrected or uncorrected misstatements identified in the course of our audit.

05

Other reporting issues

Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements, including the Annual Report

We must give an opinion on the consistency of the financial and non-financial information in the Annual Report with the audited financial statements

Financial information in the Annual Report and published with the financial statements was consistent with the audited financial statements.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Fund to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Fund, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Fund's financial reporting process. We have no such matters to report.

06

Assessment of Control Environment

Assessment of control environment

Financial controls

It is the responsibility of the Hampshire Pension Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Hampshire Pension Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not specifically tested the operation of any controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.
