Hampshire Pension Fund Administration Strategy

I Introduction

- 1.1 Hampshire County Council is the administering authority for the Local Government Pension Scheme (LGPS) on behalf of the employers participating in the LGPS through the Hampshire Pension Fund (HPF). The LGPS is governed by statutory regulations.
- 1.2 HPF provides a high quality pension service to members and employers, to ensure members receive their correct pension benefits. This is best achieved where HPF and the employers are clear about their roles and responsibilities and work in partnership.
- 1.3 This strategy statement:
 - sets out the roles and responsibilities of HPF and the employers
 - specifies the level of services HPF and the employers will provide to each other
 - explains the performance measures used to evaluate them
 - is an agreement between HPF and the employers

2 Pension Administration Strategy

- 2.1 This strategy is an agreement between the Hampshire Pension Fund and all participating bodies. All parties commit to the following principles:
 - provide a high quality and low cost pension service to members
 - continually develop efficient working arrangements
 - meet HPF's service standards
 - an annual report of performance
 - take responsibility to provide accurate and timely information
 - keep the pension administration strategy under review and revise where appropriate.
- 2.2 This strategy statement was produced by HPF in consultation with the employers and is effective from 16 December 2017 . It is hereby agreed that each of the parties as defined in this agreement and the scheme regulations, shall abide by the requirements of this agreement.
 - HPF shall monitor the requirements of this agreement and report its findings to the Hampshire Pension Fund Panel and Board.
 - Changes are subject to consultation with the employers. Variations must be agreed with HPF and confirmed in writing.
- 2.3 Please keep a copy of this strategy for your records. The original will be held at the offices of the Hampshire Pension Fund and will be made available to any scheme member, past or present, wishing to have sight of the document.

3 Roles and responsibilities

- 3.1 The quality of service to members depends on the supply of accurate and timely information.
- 3.2 Employer duties, responsibilities and discretions are listed in Appendix A to this agreement.
- 3.3 HPF's duties and responsibilities are listed in Appendix B to this agreement.

4 The Regulations – effect on strategy

- 4.1 This strategy sets out certain duties and responsibilities.
 - It does not override any provision or requirement in the Regulations or any overriding legislation.
 - The intentions of the Regulations in their application to current members, potential members, deferred members and retired members must be complied with.
- 4.2 This agreement is based on:
 - Current regulations:
 - the Local Government Pension Scheme Regulations 2013, and any amendments;
 - the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014, and any amendments;
 - Any earlier LGPS regulations as they continue to apply
 - Overriding legislation including, but not limited to,
 - the Public Service Pension Act 2013
 - the Local Government (Early Termination of Employment) (Discretionary Compensation) (England & Wales) Regulations 2006
 - Occupation and Personal Pension Scheme (Disclosure of Information) Regulations 2013

5 Definitions

- 5.1 For the purpose of this Administration Agreement:
 - “**Administering Authority**”, ‘Hampshire Pension Fund (HPF) and the Fund means Hampshire County Council;
 - “**Employing authority**” or “**employer**” means an employer within the Hampshire Pension Fund; and
 - “**Scheme**” means the Local Government Pension Scheme, and
 - “**The Panel**” means the Hampshire Pension Fund Panel and Board’

6 Communication

- 6.1 The HPF Communications Policy Statement outlines how the Fund communicates with all stakeholders, including employers.
- 6.2 HPF routinely provides information and resources for employers using
 - its website, www.hants.gov.uk/pensions with an employers' section
 - an electronic newsletter called Pension Matters
 - an employer manual and other guides available on the HPF website.
- 6.3 HPF will make available to the employer an up to date list of LGPS publications which will be available from the HPF website or as otherwise indicated.
- 6.4 HPF will communicate to the employer on an ad hoc basis and as required in respect of matters relating to the LGPS.
- 6.5 HPF will ensure that sufficient information is issued in the form of newsletters, booklets and other materials to satisfy the requirements of The Occupational, Personal and Stakeholder Pension Schemes (Disclosure of Information) (Amendment) Regulations 2013.
- 6.6 HPF will notify the employer of changes to administrative procedures that may arise as a result of changes in pension scheme regulations and update standard documentation on the HPF website.
- 6.7 HPF will issue electronic forms, newsletters, booklets and such other materials as are necessary in the administration of the LGPS, for members and the employers.
- 6.8 Employers should provide contact details at least annually, and whenever a named contact changes, on the Employer Contacts and Authorisation form.
- 6.9 Employers may provide information about members to HPF in a variety of ways, including electronic and paper forms or directly updating electronic pension records. Forms used must be up to date, and are available on the HPF website. Employers who update electronic pension records directly are fully supported via initial and refresher training and day to day support.

7 Performance measurement and reporting

- 7.1 Pensions Services will monitor, measure and report compliance with the agreed service standards. This information will be reported to the Panel, and improvement plans put in place if necessary.
- 7.2 Where this information reveals problems in employers meeting the standards, HPF will consult and work with the relevant employers to improve compliance and performance levels by providing appropriate support, guidance, and training.
- 7.3 Where as part of the annual return process or any other monitoring activity, there are concerns about the accuracy of an employer's data, the employer will be required to undertake a data cleanse exercise and make a declaration that they have fulfilled all of their requirements to notify the fund of changes. Details of the data cleanse requirements will be provided as part of the annual returns process.
- 7.4 Where poor performance affects Pension Services meeting statutory deadlines, consideration will be given to the requirement to report this to the Pension Regulator.

8 Costs

- 8.1 The Fund Actuary determines employer contribution rates for the three years following each triennial valuation. The rates and adjustments certificate provides details of all payments which are due from employers in the fund.
- 8.2 The costs of the standard administration service, including actuarial fees for the triennial valuation, are charged directly to HPF. These administration costs are taken into account by the Fund Actuary when assessing the employers' contribution rates.
- 8.3 Where Pension Services incur additional administration costs due to the pension implications of an Employer activity (e.g. outsourcing, creation of a company, change of legal status etc) a separate additional administration charge will be made. The charge will be based on estimated staff time and will be notified to the employer before any work is carried out.
- 8.4 Where additional actuarial or legal services are required by, or result from the decisions and actions of, the employer, the employer will be required to reimburse HPF for the costs involved. Where appropriate, an estimate of these costs will be provided and the employer's agreement obtained before proceeding to instruct the service provider.
- 8.5 If HPF incurs interest charges as a result of a late notification of retirement from the employer, it may recharge to the employer the interest incurred on the late payment of the lump sum.
- 8.6 Employers may also be required to pay for additional work, including estimates which are in addition to the agreed allocation, or for requesting work to be completed faster than the normal service standards. The employer's agreement to the charge will be obtained prior to the work being carried out.
- 8.7 Employers may be required to pay for administrative expenses in relation to the investigation and implementation of a Deferred Debt Agreement (DDA) or other measure under Regulation 64. Employers will be informed if additional administration charges are likely. Professional fees will be recharged to the Employer in all cases, regardless of whether an arrangement is subsequently entered into.
- 8.8 If in exceptional circumstances HPF agrees to an employer deferring payment of their employer contributions, interest will be charged on the deferred contributions at a rate equal to the underlying discount rate used to calculate the employer contribution.

9 Penalties

- 9.1 Commitment to the principles of this statement (see 2.1) should mean that any non-compliance is addressed promptly, with no need to resort to a penalty. However, the following actions are possible:
 - Where payment over of contributions is late more than once in any 12 month period, HPF will issue the employer with a written notice of unsatisfactory performance and may charge interest on the late payment at a daily rate equal to the Bank of England's base rate plus 1%.
 - Persistent failure to comply with contributions payment requirements will result in HPF informing The Pensions Regulator as required of Scheme Administrators by the Pensions Act 2004.
 - Where the employer fails to comply with their scheme duties, including failure to pay contributions due, HPF reserves the right to notify the member(s) involved and to notify all members employed by the employer in the event of serious or persistent failure.

- If additional and disproportionate resources are deployed by HPF because of an employer's poor performance, the cost of the additional resources may be re-charged to the employer according to powers available under scheme regulations. Written notice will be given of the reasons for the re-charge, how the cost was calculated, and the part of this statement which, in HPF's opinion, was contravened.
- Where orders or instructions issued by The Pensions Regulator, the Pensions Ombudsman or other regulatory body require financial compensation or a fine to be paid by HPF, or by any officer responsible for it, and it is due to the default, omission or otherwise negligent act of the employer, the sum concerned will be recharged to the employer.
- Where, as a result of the employer's failure to notify HPF of the final retirement details in a timely manner, payment of any retirement lump sum is not made within 30 days from the date of the member's retirement, HPF may issue the employer with a written notice of unsatisfactory performance and may charge the employer for the interest payment made.
- Where it is proven that the employer is not responsible for any fine or penalty imposed by The Pensions Regulator or any other statutory body as a result of non-compliance of this Service Level Agreement, any such charge will automatically default to HPF.
- From time to time, HPF offer training and support to employers through 'Employer Days' and workshops. There is no charge made to an employer for attending this event, however HPF reserves the right to charge a late cancellation fee of £100 + VAT, where at least one week's notice has not been given of non attendance.

10 Notifiable events

10.1 Employers should ensure that they engage with the Fund in relation to any activity which could materially affect their liabilities or ability to meet those liabilities, 'notifiable events'. These include, but are not limited to, the following:

- A decision which will restrict the employer's active membership in the Fund in future, or lead to a significant reduction in LGPS pensionable pay
- Any restructuring or other event which could materially affect the employer's membership, including a decision to cease business
- A change in the employer's legal status or constitution which may jeopardise its participation in the Fund
- If the employer has been judged to have been involved in wrongful trading
- If any senior personnel, e.g. directors, owners or senior officers have been convicted for an offence involving dishonesty, particularly where related to the employer's business
- Where the employer has, or expects to be, in breach of its banking covenant
- Details of any improvement notice (or equivalent) served by the appropriate regulator, e.g. Education Funding and Skills Agency, Office for Students, Charity Commission, Regulator for Social Housing etc, or SI 14 notice for local authorities

Employers should provide this information in advance of the event occurring (where possible) and as soon as practicable thereafter.
