1.   The decision:

1.1 This decision report was withdrawn at the Decision Day.

2.   Reason for the decision:

2.1. To update the Executive Lead Member for Economy, Transport and Environment on the outcome of the feasibility studies on two sites for constructing a new Hampshire-run HWRC in the local area, which have not proved suitable for economic and environmental reasons, and therefore the transitional period will not be extended.

3.   Other options considered and rejected:

3.1. Taking either of the feasibility studies forward to build a new HWRC in the Kingsclere area is not feasible due to the constraints and risks associated with both sites, and the likely costs, which would outweigh the benefits of developing either site.

3.2. Hampshire County Council to further extend the transitional arrangement for full subsidisation of the cost of north Hampshire residents using Newtown Road HWRC at up to £175,000 per annum was considered. This was rejected as the transition period was to allow for feasibility studies to be completed on potential alternative sites. This work has been completed and indicated no potential for developing an HWRC on the sites and therefore the transitional period has reached its conclusion.

4.   Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker:

4.2. Conflicts of interest declared by other Executive Members consulted:

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
