1. The decision:

1.1. That a traffic order be implemented under the Road Traffic Regulation Act 1984 (RTRA), the effects of which will be to prohibit motor vehicles from making left-turn manoeuvres from Asmodee Link Road into Hogmoor Road in Bordon.

2. Reasons for the decision:

2.1. Due to ongoing development works in the Bordon and Whitehall areas and safety auditing; concerns have been raised regarding the construction of a new service road connecting to Hogmoor Road. The proposed scheme would implement a prohibition of left turns from Asmodee Link Road into Hogmoor Road. Without the proposed Traffic Regulation Order it has been highlighted that left turn manoeuvres would be undertaken by users of the junction; this would create safety issues and conflict from users having to utilise space from the opposing running lane in order to make the turn.

2.2. No objections or representations were received in response to the public consultation which took place between 15th October and 5th November 2021.

2.3. Due consideration has been given to RTRA 1984 sections 122(1) and 122(2) and any other relevant legislation. In this case the Decision Maker acting on behalf of the Local Authority considers this TRO expeditious, for the convenient and safe movement of vehicular and other traffic (including pedestrians) [and (where relevant) for the provision of suitable and adequate parking facilities on and off].

2.4 The decision outlined in paragraph 2.3 (above) to exercise the functions of the Local Authority under RTRA 1984 sections 122(1) and 122(2) has been reached on the basis of what is reasonably practicable after due regard has been given to:

- the desirability of securing and maintaining reasonable access to premises
